

Former Lomitan Weds; Entertains at Dinner

Raymond Waite, son of the late John Waite and a former Lomitan, was married at Yuma, Ariz., May 31, to Mrs. Lola Dunlap of Anaheim. The couple will live in Anaheim. On Sunday the newlyweds entertained at dinner, their guests being Mrs. Ethel Waite, Mrs. Joe Slate and Mr. and Mrs. Bert Waite.

Venemas Surprised by Friends On 25th Wedding Anniversary

The 25th wedding anniversary of Mr. and Mrs. Henry Venema of 1926 Lomita boulevard was celebrated Saturday evening by a group of friends who surprised the couple. Mr. and Mrs. Venema had been conveniently invited to a neighbor's for a little while in the evening. Called home they found the house filled with friends who had decorated it with flowers and greeting cards and gifts.

Mrs. Dick Joosten and Mrs. Jake Schuringa had quickly transformed the house so that a festive sight greeted the surprised couple. After an evening of games and conversation, the self-invited guests brought out delicious refreshments.

Mr. and Mrs. Venema were married in Los Angeles, moving shortly after their wedding to Terminal Island. For the past 20 years they have lived in Lomita.

They have three sons, Henry Jr., of Torrance, Ernest, who is with the fleet at Honolulu, and George who lives at home. There is also one grandson.

Those who planned the surprise were Messrs. and Mrs. James Tom Termon of Pomona, Jake Schuringa of Anaheim, Henry Venema Jr. of Torrance, Dick Joosten, Sam Swart, T. Feenstra of Lomita, Mrs. Eleana Garrett of Los Angeles, Jake Schuringa Sr. of Anaheim and George Venema of Lomita.

Wilson's Return From Trip to N. Y. Fair

John G. Wilson, royal patron of Lomita Court, Order of the Amaranth, surprised the members when he appeared at court Monday night. Mr. and Mrs. Wilson have been visiting relatives in the east and the New York fair and had written they would not be home until the end of June.

Mrs. Isabel Culp, assistant grand lecturer, was present and instructed the court in new rules and procedures. After an evening of practice, refreshments were served by Mrs. Mary Culppepper and Mrs. Lillian Neely.

Driver on Three Wheels CLEVELAND, O. (U.P.)—Police Judge Joseph N. Ackerman ordered Frank Kratochvil to junk his 9-year-old automobile because Kratochvil drove it two miles on three wheels after a collision had ripped off the fourth.

V.F.W. Auxiliary Launches Member Drive by Teams

Now that the national convention is only a little more than two months away, Lomita Auxiliary to Post 1622, Veterans of Foreign Wars, has decided upon a membership drive. All members accepted now will be in on the fun in Los Angeles in August.

The Army and Navy will settle the old feud (for a brief spell) because members whose affiliations are against those whose husbands, sons, and brothers served in the Army. And the losers have to give a dinner to the winners.

Anna Dannenhauer is membership chairman. She has appointed Lodina Marlen captain of the Navy team and Mabel Erickson of the Army team.

Observe Flag Day—The Auxiliary decided at its meeting last Thursday to observe Flag Day, June 14, by attending the program given by the Lomita Elementary school Friday morning. All members are requested to be at the school in uniform at 10 a. m.

A successful food sale was held Saturday morning with Mrs. Lena King as chairman. Surpassing all previous years, the Auxiliary sold more than 100 percent more poppies, nearly 1,100 being sold by the Lomita group which is a record for a small community. Ruth Hathaway was chairman of the Buddy Poppy sales.

PRIZES GALORE AT BARBECUE . . . All kinds of valuable prizes will be given away to youths from six to 18 years of age in numerous contests which will be staged in connection with the annual Sheriff's Barbecue at Santa Anita Park in Arcadia Sunday, June 30. Inspector John V. Henry, who is in charge of the contests, lets some youngsters try-out the awards in the above photo.

No Red Cross Funds Going to Germany

Due to numerous inquiries, one point must be made clear to all citizens about the Red Cross War Relief Fund. That is, that Germany will not receive any of the funds contributed to the Red Cross. Germany has indicated that they can take care of their own needs and does not wish for Red Cross assistance. Therefore, the funds raised in this campaign will not be expended for the relief of that country.

The rich, the poor, the old and the young, organizations and individuals, all are contributing to the Los Angeles Red Cross War Relief Fund. About one-fourth of the goal of \$680,000 has been reached to date.

Narbonne Alumni to Hold Dance June 21

Other officers of the Alumni association are Glenn Hammack, president, and Bill Buker, vice-president.

Harbor Chambers Considering Vital Topics at Session

At the Harbor District Chambers meeting in Dominguez this afternoon and evening, much may be said about preparedness, the position of the harbor area from a defense angle, and steps being taken to stop any "fifth column" activities.

Following the business session in the late afternoon in the Dominguez Community Building, delegates representing more than 50 Chambers of Commerce throughout this area will banquet in the Community church. Harry Silke, Jr., of the University of Southern California will discuss "What Would Lincoln Do Today?" an address which is expected to take in many of the vital problems before the Federal government with relation to the war.

Of outstanding interest will be another talk, illustrated by films, on F.B.I. work in America. This will be tied in with a discussion of "fifth column" activities. A member of the F.B.I. will conduct the discussion.

The Executive committee, meeting at the home of Mayor Colfax Bell recently, referred numerous important measures to the general meeting at Dominguez, including a general study of Los Angeles county tax problems; a new plan to drain Laguna Dominguez or Nigger Slough using drainage District No. 8 on a "pay-as-you-go" plan to accomplish the job over a period of years.

The Highway committee is expected to report on the major plan for highways behind which the Harbor District body will throw its weight, and the order in which the District will drive for their completion.

Frank Andersen May Serve at Democrats Nat'l. Convention

Frank is studying political science at U. C. L. A. and intends to spend several days in Washington, D. C., before entering college.

Concerned over the number of fatal accidents at the intersections in the past year, the Los Angeles city council's traffic and lighting committee has recommended stop and go signals be placed at the crossings of Vermont and Normandie avenues with Roosevelt state highway. The committee ordered the police commission to establish a policy to give preference to the most hazardous corners in placing signals as rapidly as they are available.
