These words of Peter, "The prophecy came not in old time by the will of man, but holy men of God spake as they were moved by the Holy Ghost," are the Golden Text in the Lesson-Sermon on "Christian Science on Sunday in all Churches of Christ, Scientist."
The Lesson-Sermon presents also these verses about Jesus from Luke: "And it came to pass also on another sabbath, that he entered into the synagogue and taught: and there was a man whose right hand was withered. And the scribes and Pharisees watched him, whether he would heal on the sabbath day; that they might find an accusation against him. . . . Then said Jesus unto them, I will ask you one thing: Is it lawful on the sabbath days to do good, or to do evil? to save life, or to destroy it? And looking round about upon them all, he said unto the man, Stretch forth thy hand. And he did so; and his hand was restored whole as the other."
Among the selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy are the words: "Do you say the time has not yet come in which to recognize Soul as substantial and able to control the body? Remember Jesus, who nearly nineteen centuries ago demonstrated the power of Spirit and said, 'He that believeth on me, the works that I do shall he do also; and who also said, 'But the hour cometh, and now is, when the true worshippers shall worship the Father in spirit and in truth.'"
