

## Firestone Store Ransacked Here

Using the firm's own pick-up truck to carry off their loot, thieves ransacked the Firestone Tire and Service station at the corner of Marcelina and Craven streets last Thursday night, making off with merchandise valued at more than \$130, according to police reports.

The burglars entered the store thru the back department building by forcing off a lock on a pair of iron gates by using a small steel bar, police said. Then they backed up the truck to the entrance, loaded on five radios, tennis rackets, household electrical appliances and other merchandise and drove off.

Police reported that the empty truck was later found on a vacant lot located at 130th street and Denker avenue.

## Civil Service Law Is Under Fire

Asserting that the present civil service ordinance is unsatisfactory and should be amended, Attorney John Shidler Tuesday night requested a meeting of the city council, civil service commission and city attorney in order to present "a new interpretation" of the measure. He stated in his letter to the city council that he was acting in behalf of some of the "call" men on the Torrance fire department.

Mayor Tom McGuire assured the attorney that a meeting would be arranged to hear his statement sometime next week.

## Townsend Club Activities

By Vernon F. Glidden

Torrance Townsend club meets every Friday evening at the Men's Bible Class building, across from the city library. We were happily surprised last Friday evening when a number of members of the Redondo Beach club joined us. Mr. and Mrs. Fred C. Wagner, now at Manhattan Beach, were present and Wagner gave an interesting talk. Mr. and Mrs. Miller of Redondo Beach entertained with readings.

Rev. Mundell of Inglewood was the principal speaker. Many interesting events are planned for the month of July, including a box social July 12, birthday party July 19, dance July 26 and a picnic of all clubs of the 17th district July 28, in the Torrance City park.

President Vernon F. Glidden attended a district meeting at 7019 South Broadway last Sunday afternoon at which Rev. Paul Gardner delivered an inspiring patriotic address.

## Illiteracy Rate In State Shows Gain, Report

SACRAMENTO (U.P.)—Because of the ever growing influx of people from other states, California's illiterate adult population has increased to 125,000, of which only 30,000 are studying to overcome their handicaps, George C. Mann, chief of the division of adult education, said this week.

Although California has had one of the best literacy and Americanization programs in the United States, this trend continues, he said.

On a percentage basis, Mann said, California ranks about 29th among the states in illiteracy. Although California has made heroic efforts to reduce the illiteracy percentage as fast as other states, illiterates have come into the state almost as fast as they have been trained.

## Tax Payments from State Near Billion

SACRAMENTO (U.P.)—When Californians finish paying the estimated \$69,253,000 in additional federal taxes as their share of the national defense program, the total yearly tax payments from the state will near the one-billion mark.

The tax return before the new levies approximated \$920,000,000, collected by federal, state and local governments.

## ANOTHER RECRUIT FOR U. S. NAVY

Mr. and Mrs. John Thelan, 2215 Arlington avenue, welcomed a baby son, their first child, Saturday, July 6, at a San Pedro hospital. The lad, who weighed six pounds five ounces at birth, has been named Antoni Albert. Mother is Martha George Thelan, daughter of Mrs. Ruth Saunders, and Father John is probably the happiest man in the U. S. Navy. He has been stationed with the fleet in Hawaiian waters, but was given a 30-day furlough to come home to welcome the new arrival.

**Coyote Led To Bounty**  
OAK, Cal. (U.P.)—Tony Brieno knows how to bring 'em back alive when it comes to coyotes. Unable to run one down with his car because the animal

kept too close to a fence, he turned his headlights on so that it would be blinded by the glare, jumped out of the car, picked up the coyote by the tail, while with his car because the animal

took off his belt and fastened it around the coyote's neck and led it to the county clerk's office to collect \$2.50 bounty.
