## Gift from a Bereaved Father

By Jessie Farnham  
(Reprinted from July Good Housekeeping)

I try to console you,  
But you shake your head  
And smile toward a kite  
Straining skyward, instead  
Of listening;  
Slowly you slacken  
The string to the skies.  
I can see tears  
Fringing your eyes,  
And glistening.  
Strange instance to see  
A strong-bodied man  
Fly a frail kite,  
Then sever the string  
And wistfully watch  
As it sails out of sight.

Text is from John: "The hour  
cometh, and now is, when the true wor-  
shippers shall worship the Father  
in spirit and in truth: for the Father  
seeketh such to worship him."

A Bible citation presents these  
words of Jesus from John: "Labour  
not for the meat which perisheth,  
but for that meat which endureth  
unto everlasting life, which the Son  
of man shall give unto you: for  
him hath God the Father sealed."  
Verily, verily, I say unto you,  
Moses gave you not that bread from  
heaven; but my Father giveth you  
the true bread from heaven. For  
the bread of God is he which com-  
eth down from heaven, and giveth  
life unto the world. . . I am the  
living bread which came down from  
heaven: if any man eat of this  
bread, he shall live for ever."

Passages from "Science and  
Health with Key to the Scriptures"  
by Mary Baker Eddy state: "As  
the individual ideal of Truth, Christ  
Jesus came to rebuke rabbinical er-  
ror and all sin, sickness, and death,  
—to point out the way of Truth and  
Love. . . First in the list of Chris-  
tian duties, he taught his followers  
the healing power of Truth and  
Love. He attached no importance  
to dead ceremonies. It is the living  
Christ, the practical Truth, which  
makes Jesus "the resurrection and  
the life" to all who follow him in-  
wardly."

## Coordinators Propose Youth Center to City Council Here

(Continued from Page 1)

South here. Several arrest-  
ing facts were uncovered. While  
Torrance may have reason to be  
proud of its attitude toward  
meeting its young people's recre-  
ation and idle-time needs "it is  
apparent from this survey that a  
great deal must yet be done if  
the problem is to be met effec-  
tively."

"We found that over 90 per-  
cent of the young people go  
home after leaving school. A  
very small percentage work and  
far less than one per cent take  
part in sports activities in the  
late afternoon period following  
school and before dinner," the  
report continues. Taken by it-  
self, this fact is not especially  
revealing "but when considered  
in light of the following infor-  
mation, it becomes exceedingly  
important. . . Our youth are  
burdened with the problem of  
several hours of idle time on  
their hands with nothing to do  
about it."

**Problems Facing City**  
Out of 375 boys who answered  
the Coordinators' questionnaire,  
only about 25 per cent belong  
to any organized group. On the  
other hand, of the 75 per cent  
outside organized associations,  
more than half want to join  
some club. To the question:  
"Do you take advantage of ex-  
isting recreational and hobby  
facilities provided by the city  
of Torrance?" 252 replied they  
did, 552 said they had never  
used the present facilities.

"This is undoubtedly not due  
to inferior quality of the recre-  
ation offered but rather to the  
placement of these projects geo-  
graphically," the report points  
out.

The report emphasizes that  
"more clubs, a more available  
recreation center and generally  
more activity to meet the idle-  
time needs of youth are the  
problems facing the community  
today. We have every reason  
to believe the proposed plan for  
a youth center will meet these  
needs in a satisfactory manner.  
It should be obvious that for  
every dollar spent on a well-  
planned, properly-supervised  
project of this kind, many dollars  
will be saved in law enforce-  
ment as applied to juvenile de-  
linquents who are the product  
of under-planned recreation and  
inadequate supervision during  
idle time."

**College Boy Auctioneer**  
COLUMBUS, O. (U.P.)—Paul  
Good, senior in Ohio State Uni-  
versity's college of agriculture,  
has upset the tradition that live-  
stock auctioneers are men of  
mature age by being a full-  
fledged auctioneer at 22 years  
of age.

Sell that furniture thru a want  
ad for 25c. Call Tor. 444.

## Registration of Aliens Sept. 1

Registration of all aliens, as  
provided in the recent bill adopt-  
ed by Congress, will begin at  
all post offices on Sept. 1, ac-  
cording to word received this  
week from Washington. In ad-  
dition to registering at the local  
post office, aliens residing in  
this community will be asked to  
leave a record of their finger-  
prints.

The new law also imposed  
drastic penalties on "fifth col-  
umn" attempts to incite insur-  
rection or disloyalty in the na-  
tion's armed forces. It outlaws  
the dissemination of doctrines  
aimed at overthrow of the gov-  
ernment "by force or violence."  
The measure provides a \$100  
fine and 30 days imprisonment  
for those failing to register be-  
fore the four-month period fol-  
lowing Sept. 1 expires.

Aliens over 14 must register  
personally, while those under  
the age limit are to be regis-  
tered by parents or guardians.  
Local postmasters will be sup-  
plied with the proper forms in  
ample time to begin the enroll-  
ment on time.

## Lomita Girl Injured in Rear-end Collision on Highway Saturday

Dorothy Smith, 16, of 1191  
25th street, Lomita, was slight-  
ly injured Saturday night when  
the car in which she was riding  
turned over after colliding with  
the rear end of another machine  
at Highway 101 and Rolling Hills  
road west of Hillsworth avenue,  
according to police reports.

She suffered a slight cut on  
the side of her face and was  
treated at Torrance Memorial  
hospital, Miss

Smith was riding with Rob-  
ert Earl Evans, 19, of San Pe-  
dro. Evans' machine hit a car  
driven by James Jay Radcliffe, 35,  
of South Gate. Radcliffe was driv-  
ing west on Highway 101 and  
slowed his car to make a left-  
hand turn into the Rolling Hills  
road. Young Evans told inves-  
tigating officers he applied his  
brakes but was unable to avoid  
the rear-end collision with Rad-  
cliffe's car.

**Gardena Wants Clinic Service for Children at Torrance Center**

Clinical service at the Tor-  
rance health and welfare center  
on Carson street for all school  
children in the Gardena valley is  
being sought by the Gardena  
Valley Chamber of Commerce.

the chamber has called a meet-  
ing for Tuesday, July 16, of rep-  
resentatives of Gardena organi-  
zations to plan a campaign to  
obtain such service. At the pres-  
ent time Gardena youngsters are  
sent to San Pedro or Los An-  
geles for clinical service.

course of one month.

signed to duty for one year at

000 greater than the collection  
in 1938.

## Steel Workers Start Drive for Red Cross Funds

(Continued from Page 1)

June 27, 28 and 29 has slumped  
from \$6 per 1,000 pounds to less  
than \$3 because of the Japanese  
blockade of Chinese ports of en-  
try in French-Indo China," he  
said. "The Chinese were the  
largest consumers of old paper  
and until the market recovers it  
would not be worth while to col-  
lect it here."

**RED CROSS WAR FUND PASSES \$17,000,000**

WASHINGTON, D. C.—Relief  
problems arising over France's  
urgent needs and the threat-  
ened siege of England have  
prompted Chairman Norman H.  
Davis, of the American Red Cross,  
to appeal this week for "last  
minute" support of the \$20,000,  
000 war relief fund.

Chairman Davis voiced his ap-  
peal as the Red Cross fund  
passed the \$17,000,000 mark.

"Capitulation of the French  
government has not brought an  
end to the suffering among the  
hordes of refugees and wounded  
soldiers who have fled to the  
south. Urgent needs are reported  
daily from these unfortunate.  
The American public in the past  
seven weeks has responded gen-  
erously in contributing war re-  
lief funds for their succor. How-  
ever, if America is to continue  
relief in their hour of need, it is  
necessary that we support and  
fulfill this goal of \$20,000,000."

"Latest reports from Europe  
stress the importance of added  
Red Cross contributions. Today,  
the people of England are con-  
fronted with what has been de-  
scribed as the worst siege in the  
history of man. If we are to  
share in meeting this great  
emergency we cannot relax in  
our efforts."

**Four Babies Born at Hospital Here**

Four babies were born at Tor-  
rance Memorial hospital during  
the past week. They were:

A daughter to Mr. and Mrs.  
V. H. Anderson, Hermosa Beach,  
Tuesday.

A son to Mr. and Mrs. L. C.  
McMillan, 2163 23th street,  
Sunday.

A daughter to Mr. and Mrs.  
L. E. Holland, 806 Carson street,  
Saturday.

A son to Mr. and Mrs. William  
Troganthen, Lomita, Tuesday.

Italy is smaller than New  
Jersey.

**Owner Offers \$50 Reward for Return of Dog**

Within the past ten days while  
the owner was in the hospital,  
Jigs was given to three boys  
driving a truck on Highway 101  
between Santa Monica and San  
Pedro. He was given away by  
some unauthorized person or  
persons.

The owner, who has raised  
him from a puppy, would like to  
have Jigs back and is author-  
izing a reward of \$50 for his  
return to this newspaper—TOR-  
RANCE HERALD.

Jigs has the Santa Monica  
license number 1554 and is part  
Fox Terrier and Pekingese. He  
is white with brown spots.—Adv.
