## Complete Sports Program Now On at Playground

After a heated competition lasting 100 matches, Erny Floyd proved himself a top-notch carrom player when he defeated George Poh in the finals of a tournament conducted by Bob Moulton, recreation director at the Torrance elementary high school playground. In the junior division, Billy Floyd, like his big brother, emerged as champion of his class. He beat Jackie Taylor, the runner-up. More than 40 boys participated in the carrom series.

A tennis tournament to determine the champions of this city will be held during the first and second weeks of August. Director Moulton announced today. Entries will be classified as follows: Junior division for boys and girls under 12 years of age, senior division for youngsters under 17 and advanced division for those under 21.

Matches in singles and doubles competition will be run off at the high school courts. The courts are open at the high school now and rackets and balls are available. Moulton is now accepting entries in the matches.

A meeting of all captains of boys' softball teams will be held Saturday morning, July 20, at 10 o'clock at the elementary high school field. Plans for the start of a fast softball league will be arranged. At the present time four teams are registered, including the Tak Kakidas, Torrance Tigers, Billy Clouch's Giants and Erny Floyd's Yankees.

Two leagues will be formed, lower division for boys 13 years of age and under and an upper division for boys under 17. Any boy wanting to play softball is invited to come to the playground and get on one of the teams. Nines already organized are asked to sign up immediately with Director Moulton for the coming series.

## Bid On Street Painting Work Found Too High

The offer of Traffic Engineers, Inc., to renew the striping, cross-walk lines, lettering and diagonal parking lines on city streets and highways for \$981.60 apparently was more than the city council wanted to pay.

So the bid was filed for future reference Tuesday afternoon at the municipal board session. The street painting job has previously been done by street department workers in cooperation with the police department.

of Mickey's cafe at 819 Border avenue. Mr. Mickle was born in Leonard, Tex., 42 years ago. He served in World War I and was a member of the Torrance American Legion post.

In addition to his wife, Mr. Mickle is survived by a daughter, Kathleen; three sisters, Mrs. John Humphreys of Inglewood, Mrs. Dupert Powell of El Paso, Tex., and Mrs. Jack Saunders of Los Angeles; and a nephew, Charles Wyse, of El Paso. The funeral service was held this afternoon at Stone and Myers' chapel with Rev. F. T. Porter officiating. Interment was at Inglewood cemetery.
