Judge Beardsley Is Candidate to Retain Present Office

Since January, 1940, Judge John Beardsley has been presiding in the Domestic Relations Department of the Los Angeles Superior Court. He is a candidate to retain Office No. 14 at the primary election.

In the Domestic Relations Department provision is made for the support of families and the custody of children involved in divorce cases, pending the time of actual trial of the case. Judge Beardsley's kindly and sympathetic handling of these matters has won wide approval for him.

Since his appointment to the Superior Court, Judge Beardsley has presided in the trial departments handling civil and criminal cases, both with and without juries, and served for several months in the Law and Motion departments.

Women in Support of Another Term for Dist. Attorney Fitts

A vigorous campaign by the women of Los Angeles county to re-elect District Attorney Byron Fitts at the August primary is now in progress, with representatives of all walks of life taking a strong and active part. Virtually every woman's club, church and professional group and cultural organization is represented in the county-wide women's movement in Fitts' behalf. It is reported.

Fitts reported this week that his office during July of this year obtained convictions in 89 percent of the 692 felony cases prosecuted in the courts. He declared he had been informed that this record has never been equaled in a community of major size in this country.

"We are fighting crime in this county as a business," Fitts declared. "It is a big job, a hard job, but I want you to know that it is a job for which I have enthusiasm. The only pledge I make is that I shall always put everything I have in it, to the best of my ability, so long as the people of this county shall retain me as their district attorney."

Frolic Plans Forecast Biggest Celebration Ever

(Continued from Page 1)
horses will be quartered at the Torrance municipal park to which they will return after the parade for the judging, according to Brumley.

Barbecue DeLuxe
Following the parade, a delicious barbecue prepared by Romero—the barbecue king of the Southland—will be served by the American Legion Auxiliary. Romero will set up his outdoor kitchen on the vacant lots adjoining the city hall on El Prado and the plates will be served to all who wish to dine (at 50 cents per plate) at tables to be set in El Prado park.

Funds Coming In
Other phases of the Third Annual Factory Frolic are progressing satisfactorily, according to L. J. Gilmeister, general chairman, who reports that a number of industrial organizations are making donations to help finance the celebration. Sam Levy, chairman of the merchants' committee, reports satisfactory progress in raising the \$250 requested from Torrance merchants. A number of pledges were received Tuesday evening at the merchants' dinner meeting and others will be contacted soon, Levy says.

"It looks like the biggest celebration by far that has ever been held in Torrance, and we want everyone to have a part in its success," commented Gilmeister.

Thomas Challenges John Rawls to Debate Issues

"I challenge Mr. Rawls, to debate on the following issues," stated Vincent Thomas, a candidate for assembly for the 68th district, today. "On revenue and taxation; labor; unemployment; relief; fish and game; workmen's compensation and district needs."

The challenge hurled by Thomas carried with it provisions for a public debate on these vital issues as outlined, and states, he will meet in debate, Mr. Rawls at any time, feeling that it is most necessary for the voters of this district to know each candidate and their qualifications as assembly representatives. Thomas stated Rawls failed to be present at the open forum meeting scheduled by the Ephebian Society last Friday evening.

Ephebian Invite Candidates to Parley

To allow voters of the 68th Assembly District a chance to see who are the candidates for the office held by the late Fred Reaves, Ephebian of the Harbor District invite all voters to the meeting sponsored by them at Torrance high school Friday evening.

Each candidate will be allowed six minutes to state his platform and qualifications and six minutes to answer questions.

By inviting all candidates the Ephebian feel that they are presenting an unbiased chance to the voters to see and hear all aspirants for the office.

Kiyoto Nakagawa, Narbonne Ephebian, is in charge of arrangements, assisted by Bob Lindgren, Marvin Goetsch, Joe Schneidhofer, Bill Buker, George Key, Jr., Frank Andersen, Harold Kerber and Harold Watson.

Nick Zorotovich of San Pedro, president of the chapter, will open the meeting and Jack Weber, Narbonne Ephebian, will be chairman of the evening.

A meeting arranged by the Ephebian at San Pedro high school last Friday was attended by about 200 people who asked plenty of questions and showed a lively interest in the platform of the candidates.

A meeting is being arranged for Aug. 21 at Banning high school, Wilmington, when candidates for Congress in the 17th California District will be allowed eight minutes to present a platform and qualifications and seven minutes to answer questions. Carl Morrison, Banning Ephebian, will be chairman of the evening and Miss Dorothy Jones, also of Banning, will have charge of arrangements.

With the primaries less than two weeks away, not only the young voters but all voters should take these opportunities to size up the applicants for their favorable stamp on the ballot.
