This verse from John, "God sent
not his Son into the world to con-
demn the world; but that the world
through him might be saved," is the
Golden Text in the Lesson-Sermon
on "Christ Jesus" on Sunday in all
Churches of Christ, Scientist.

One of the Scriptural selections
presents these words of Jesus from
Matthew: "Blessed are they which do
hunger and thirst after righte-
ousness: for they shall be filled....
Let your light so shine before men,
that they may see your good works,
and glorify your Father which is in
heaven. Think not that I am come
to destroy the law, or the prophets:
I am not come to destroy, but to
fulfill.... And behold, there came
a leper and worshipped him, saying,
Lord, if thou wilt, thou canst make
me clean. And Jesus put forth his
hand, and touched him, saying, I
will: be thou clean. And immedi-
ately his leprosy was cleansed."
Included in the Lesson-Sermon
are these statements from "Science
and Health with Key to the Scrip-
tures" by Mary Baker Eddy:
"Though demonstrating his control
over sin and disease, the great
Teacher by no means relieved oth-
ers from giving the requisite proofs
of their own piety. He worked
for their guidance, that they might
demonstrate this power as he did
and understand its divine Princi-
ple."

"Relaxation" Courses at U.S.C. Night School Will Open on Sept. 16

Self-expression through the
medium of crafts and hobbies
is at the same time a healthful
relaxation and an aid to the bet-
terment of the quality of "bread-
earning" work.

This, according to Dean W.
Tiegs, head of University Col-
lege, evening division of the Uni-
versity of Southern California,
has led the Trojan night school
to expand its curriculum of "re-
laxation" courses for the fall
term which will open Sept. 16.

"More than ever before, the
American people are searching
for something to take their
minds off the troublesome times
of the present," Dean Tiegs
stated. "So we are offering a
series of courses that will pro-
vide fundamental training in a
number of various hobbies,
crafts and arts."

Outline of Courses
Late afternoon, evening and

"Goodness, You're Early"

(From the September Good Housekeeping)

With powdered nose I sit and rock
And read a book and watch the clock,
And pace the room and try to sew,
And listen for a step I know.
It's seven-thirty, then it's eight, ...
I tune the radio and wait
Until I hear the doorknob turn
And don my proper unconcern.

Saturday classes will be given
in 48 different departments dur-
ing the fall term which will run
from Sept. 16 to Dec. 7 on the
Trojan campus. Many of these
courses carry college credit lead-
ing to university degrees.

The "pastime" courses include
ceramics, art metal work, interior
decoration, art in dress, sculp-
turing and painting in the field
of art; aviation, radio and mo-
tion picture script writing; opera-
tic repertory, navigation, sea-
manship, and screen literature.

Other courses of especial in-
terest to be given include "Wom-
en's Legal Rights in California,"
and "American National Govern-
ment."
