First of a series of double-header hardball games will be played tonight at the Torrance city park diamond by four of the teams entered in the new Bay District Night Baseball League directed by Al DeHoog.

Hartwell Aviation will meet Pepsi-Cola and in the closer, the Torrance Papooses will play Gardena.

Tuesday night the Long Beach Ellbees defeated Gardena 8 to 7 in a thriller contest at the city park diamond. Next Tuesday night, Sept. 3, a double-header will be scheduled with Hartwell vs. Ellbees and Long Beach Ramblers meeting the Papooses.

Fans are missing some excellent entertainment if they pass up these contests started by younger players who are just breaking into semi-pro ball.

Good Dove Hunting Expected on Sept. 1

SACRAMENTO (U.P.)—California dove hunters will find plenty of birds in most sections of the state when the season opens Sept. 1, reports from state game wardens indicated today.

State fish and game officials point out that the dove limit has been cut from 15 to 12 birds. The limit covers the number of doves in possession at any one time.

Nearby county hunting forecasts follow:

Imperial—Hunting promises to be fully as good as usual.

Los Angeles—Only fair hunting is forecast.

San Diego—Birds are scarce in the southern part of the county and the shooting will be spotty.

San Luis Obispo—The shooting should be better than last year.

The best hunting should be in the Paso Robles-Creston-Shandon-San Miguel area.
