## FIRST CHURCH OF CHRIST, SCIENTIST

1208 El Prado. Sunday morning services at 11. Sunday school, 9:30 a. m. Wednesday evening meeting, 8 p. m. Reading room in church office. "The Spirit itself beareth witness with our spirit, that we are the children of God; and if children, then heirs: heirs of God, and joint-heirs with Christ. This passage from Romans is the Golden Text in the Lesson-Sermon on "Man" on Sunday in all Churches of Christ, Scientist.

Bible citation includes these words of Jesus from John: "Father, the hour is come; glorify thy Son, that thy Son also may glorify thee: all flesh that he should give eternal life to as many as thou hast given him. And this is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent. I have manifested thy name unto the men which thou gavest me out of the world: but they have not believed on me through thy word: And the glory which thou gavest me, I have given them: that they may know that thou hast sent me, as thou hast said: 'I have manifested thee to the world.'" "One of the selections from 'Science and Health with Key to the Scriptures' by Mary Baker Eddy states: 'Without the image and likeness of Himself, would he be sojourner, or Mind unexpressed. He would be without a witness or proof of His own nature. Spiritual man is the image or idea of God, as ideas which cannot be lost or separated from His divine Principle.'"
