registration precinct, Hall said.

## Estimate Local Conscription

On the basis of Torrance's (preliminary) estimated 9,860 population, approximately 1,380 men will be required to register from Torrance. Likewise on Lomita's estimated population of 4,789, approximately 670 men will register from Lomita, using the government's 14 per cent figure.

These advisory boards will assist men to register and later fill out their questionnaires. The original registration will require about 10 minutes, Judge Hall said.
