

Amaranth Card Party Monday

Officers of Lomita Court No. 61, Order of the Amaranth, are asked to be present next Monday evening at 7:30 p. m., at V.F.W. hall for a brief business meeting. Following the meeting, at 8 p. m., there will be a card party, open to the public with tables set for bridge, 500 and pinocle. Mrs. Bertha Martin will be in charge of prizes. Mrs. Mary Culpepper, Mrs. Louie Doane, and Miss Birda Paddock will be in charge of refreshments. Mrs. Bessie West, Mrs. Frances Hathaway and Mrs. Madeleine Powers will assist with tickets.

On Sunday, Sept. 15, members of the order by hundreds arrived at Brookside Park in Pasadena for an all-day picnic. The grand royal matron, Mrs. Dagmar Vollman of Oakland; grand royal patron, Charles Norton of Los Angeles, other grand officers and members from every court in the state were present.

Mrs. Alwine Ulman, grand musician; Miss Paddock, royal matron; Mrs. Edna Clark, Mrs. Ethel Waite and Mrs. J. R. Strachan and Bobby Gallanos represented Lomita.

Mr. and Mrs. Gordon J. Le Manquis of Harbor City were about the luckiest couple present, winning prizes in the drawings as well as in the contests. Mrs. Le Manquis won the paper race, was speedy in the egg race and her husband was the prideful winner in the diaper pinning contest. Miss Paddock and Bobby Gallanos brought back prizes for the Lomita group.

Bob Beretta Host to News Carriers at Theatre Tonight

Bob Beretta, who is a friend of all children, is entertaining carriers of The Lomita News at his Lomita Theatre tonight. The boys will see two fine pictures, "Lost Horizon" starring Cary Grant, and "The Awful Truth" starring Irene Dunne.

While the general public is not invited to attend the party free, there will be many who will want to see these pictures. All those who read "Lost Horizon" are assured by those who have seen the picture that it is one of the finest screened in a long time and one of those pictures that no one should miss.

The presenting of this picture in Lomita is just in keeping with Bob's policy to get the best for his patrons.

Mrs. Hinckley Again Enlarging Popular Store

Again finding the need for larger quarters Mrs. K. V. Hinckley is starting her annual enlarging of her store.

An outlay of about \$4,500 will be spent before improvements are completed. New storage space will be built, new fruit and vegetable stands, entire new refrigeration system, and a new front put in.

The growing business of this popular grocery is proof that it pays to carry the best in groceries and fresh produce and it pays to advertise for Mrs. Hinckley not only believes in carrying the best but in letting the public know it.

And the fact that she has to enlarge her store room every year is "proof of the pudding."

Games and a birthday feast were enjoyed by Misses Doris Horton, Mildred Miller, Mary Ridenour, Frances McQuire, Laura Taylor, Alice Gladwill and Louise Gladwill.

Former Lomitan Returns to Lead Millinery Classes

EFFIE JANE LEARTART

Visitors in Lomita Thursday were two former residents, Mrs. Margaret Forrester and Mrs. Effie Jane Leartart. Mrs. Forrester formerly lived on Forrester Drive and was the owner of the famous Forrester Kennels. Mrs. Leartart is returning to her duties as a teacher of millinery in the Los Angeles city schools after a year and a half leave of absence spent at Trona, Calif.

Mrs. Leartart says she is now a confirmed "rock hound" and comes back a desert enthusiast with many interesting tales of life at Trona. During the past year, while in ill health herself she had the misfortune to lose a sister and her mother. Her mother, Mrs. Nancy Ambire Burrell, died in Alexandria, Indiana, in May at the age of 95 years. A remarkable woman who had been a personal friend of Abraham Lincoln, she was one of the few remaining who had heard Lincoln deliver his Gettysburg Address. Her husband, George Burrell, a Union soldier died more than 50 years ago.

Mrs. Burrell left three children of a family of ten, 22 grandchildren, 30 great grandchildren and two great-great-grandchildren.

Mrs. Leartart will teach millinery at the Lomita Elementary school on Fridays from 9 a. m. to 2:30 p. m. She will be at Gulf avenue, Wilmington, on Mondays; Wednesday and Thursday at Cedro at 15th street, and at Calarillo school and the rest of the time at Los Angeles.

Twenty years ago Mrs. Leartart owned the Hayden Millinery in Lomita since selling her shop has been teaching millinery, for a number of years having classes at Orange street.

Harbor City Man Proves Expert at Diaper-Pinning

Putting to shame two doctors and a group of fathers, Gordon Le Manquis of 25840 President avenue, Harbor City won a diaper pinning contest at Brookside Park, Pasadena, Sunday in the fast time of 22 seconds.

Not only did the local man, who is not a father, carry off the prize for time but he demonstrated that the old method of diaper pinning was faster and more efficient.

In the presence of hundreds of members of the Order of the Amaranth the contestants, timed by a stopwatch, tried pinning diapers on a large doll and every kind of fancy tie and hold was demonstrated.

Here's a tip to fathers in the Le Manquis neighborhood: If you ever get in difficulties when wife is away, you know where to go now for expert advice and help.

Chest To Be Awarded at Card Party Tonight

A large crowd is expected at the V.F.W. Auxiliary card party at the V.F.W. hall on Lomita boulevard. Besides prizes in pinocle, bridge, and 500, the beautiful cedar chest, now on display in The Lomita News window, and its many handmade articles will become the property of some lucky person.

Mrs. Ruth Hathaway is chairman of the card party and will be assisted by her own committee in checking scores and serving refreshments.

Forty-One License Plates on the Way To Meet Next Rush

License plates for 1941 are already being delivered to distribution points for the big task next January of registering more than 2,655,733 California motor vehicles—official figure for the first of this year.

Traditional car tag colors will be reversed as usual for next year with orange figures on a black field. Otherwise the plates will have rounded corners and be like this year's.

Size of the job of giving out licenses to California motorists, upon payment of the necessary license fees, of course, is obvious in the fact that this state has the greatest car registration in the nation. Most recent figures showed California had 29,958 more motor vehicles than New York state.

One variation in the California license plates for 1941 is that all numbers will have six figures, with cipher (0) prefixing smaller enumerations. To illustrate, some driver is in line to get the number "08X169". Following the procedure of last year, it is authoritatively stated that there will be no small numbers and no special numbers issued.

Rebekahs Hold Courtesy Night

With Mrs. Phoebe Sykes presiding, Trio Rebekah Lodge observed courtesy night on Wednesday, Sept. 11, with visitors present from Hawthorne, Redondo Beach, San Pedro, Long Beach, Compton and Los Angeles lodges.

Each courtesy officer received a charming gift from the Lomita officer of her station and at beautifully decorated tables supper was served to 90 members and guests. Mrs. Clara Conner was chairman of the supper committee and was assisted by Mrs. Madge Leyman, Mrs. Pansy Coil, Mrs. Grace Owens, Mrs. Petrina Fritsch and Mrs. Bertha Gregg.

On Oct. 9 the lodge will observe "stunt night" with Mrs. Ada Andersen as chairman.

Newly-Weds Honored at Shower Party

Miss Wilma Baker of 2133 25th street was hostess Friday evening at a kitchen shower honoring her brother, Donald L. Baker, and his bride. Games were played and readings given by Mrs. Florence Colwell, widow of the late Rev. Thomas Colwell. Violin numbers were played by Wilma Baker and James Coates with Miss Janice Mortenson as accompanist. Many beautiful gifts were presented to the young couple who will make their home in South Gate.

Donald L. Baker, son of Mr. and Mrs. A. Le Roy Baker, and Miss Louise Brown of Rialto were married Aug. 24 at Rialto in a beautiful garden ceremony.

NO PAY FOR DRAFT BOARD PERSONNEL

SACRAMENTO (U.P.)—Registration boards set up under the national conscription bill now in effect probably will have to serve without pay, Adjutant General R. E. Mittelstaedt disclosed this week.

In a communication to California county clerks, General Mittelstaedt declared it was "very probable" that the registration boards, the local classification and selection boards, examining physicians and appeals boards will not receive any compensation.

The adjutant general's office released details of the proposed system of registration to county clerks last week. The plan provides that men subject to the draft will appear at their regular voting places to be registered by the regular election officials.

Hold Up 'Home Defense'
It was contemplated that officials would receive their usual pay. In the later communication, Mittelstaedt said:

"It is felt that when men are called to military service at great personal sacrifice, the selective service officials should be men who are willing to make an important sacrifice themselves by contributing voluntary service. It is felt that a process based on devotion to the national interest should not deteriorate into a job holding organization."

At any time, the adjutant general cautioned groups seeking to form "home defense" units to serve while the national guard mobilized to wait for specific instructions.

Music Pupils Hold Annual Beach Party

As a farewell to vacation, Mrs. Alwine Ulman entertained her music pupils at a beach party at Cabrillo Beach Sept. 10. An annual event to which the pupils look forward, the group gathered about the fire for a wienie roast and with plenty of other good things to eat and games on the beach the hours passed swiftly.

Those present were Marguerite Coe, Marjorie Wilson, Gloria Nicholas, Wilma Baker, Phyllis Taylor, Jeanette Farquhar, Lois and Shirley Severen, Joan Pedersen, Kanryn and Theano Peterson, Betty Mae Smith, Mrs. A. Parker, Gavin and Bill Brown, Patty and Roger West, Anna Stina Bergstrom, Alton Bergstrom, Jay Harris, Terry and David Byrnes, Lorin Larsen, Dean Coiglarripe, Rondel Lewis and Mrs. Ulman.
