Salute Flag Properly During Frolic Parade

Do you know "flag etiquette" as it pertains to watching a parade in which the national colors are displayed?

Old Glory will have a justly prominent place in the Factory Frolic parade. The following information was furnished by members of the Torrance American Legion Post:

When the colors go by, if you are in uniform, stand and salute. If you are in civilian clothes and wearing a hat, stand and uncover, with your hat over your heart.

If you are not wearing a hat or cap, stand at attention with your right hand over your heart.

Women should stand at attention, hand over the heart.

TWO ENTRIES . . . In addition to having a float in the parade, the National Business and Professional Women of Torrance will operate an "ice cream bar" at a booth on El Prado.

Old-Timer to Drive Hay Wagon in Parade

C. F. Fiesel of 1442 Carson street is going to prove he can pilot a hay wagon just as good in the Factory Frolic parade Saturday as he did 47 years ago when he was the first to farm on the acreage that became the city of Torrance.

Riding with him in the old-fashioned equipage will be Mrs. Fiesel and both will wear costumes typical of the "good old days" when the pioneer resident farmed beans and hay here. Fiesel came to Torrance from Chicago and his 10 children were born here.

FOODS FOR SALE . . . Home-made cakes, pies, ice cream and coffee will be sold from the high school P.T.A. booth during the Frolic. Arrangements to enter a combined P.T.A. float in the Saturday, Sept. 28, parade were made this afternoon by members meeting at the home of Mrs. J. O. Bishop.

FLOWERS . . . The St. Cecilia's Guild of St. Andrew's Episcopal church will have a flower booth at Frolic. A Mexican motif of decoration will be followed and Mrs. Marjorie Lessing is in charge of arrangements.

PEP PURVEYORS . . . The Narbonne P.T.A. will vend confetti, caps and noise-makers from a booth on the Frolic. Gay Way, El Prado. Mrs. Ted Wilson and Mrs. Charles Leming will be in charge of the stand.
