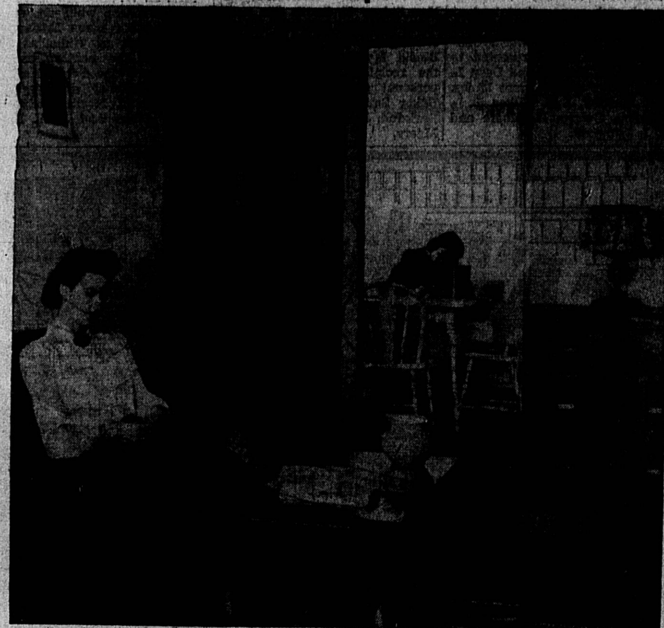
Demonstration Unit Open at Harbor Hills



HARBOR HILLS HOMES—Upper photo shows the living room and dining space in a corner of the kitchen in the demonstration home opened this week in the first building completed in the $1,300,000 Harbor Hills low-rent housing development, Western Ave. and N. Palos Verdes Dr. The 300-unit development, planned by the County Housing Authority, commands a magnificent view from the Pacific to the mountains.

A three-bedroom demonstration home completely furnished for only $98.38 was opened today by the Los Angeles County Housing Authority at the Harbor Hills low-rent housing development, Western Ave. and N. Palos Verdes Dr. Located in the first building completed in the $1,300,000 project, the home is designed to show applicants for the 300 homes in the development how attractively they can decorate their own living space with only a modest expenditure.

Hostesses in the demonstration unit are Betty Harline and Betty Gibson, recent Narbonne high school graduates.

Officials of the housing authority said that the cost of furnishing the demonstration home had yet been kept to a minimum by shrewd buying, by using reconditioned furniture, and by making ingenious use of materials not ordinarily employed in home furnishing.

Purchased In Area

Credit for the interior decoration scheme belongs to Dorothy Glasgow, instructor in home economics at Narbonne high school and to 25 of her students who assisted in furnishing the home, officials declared. Under Miss Glasgow's direction students reupholstered the living room davenport, repainted beds, chairs and tables, wove rugs, and made all curtains, cushions, bedspreads and closet drapes.

All furnishings were purchased in stores in this area. Most expensive room in the home is the living room, furnishings for which cost $36.94. These include a davenport, corner cabinet, wicker chair, desk, three small tables, a straight chair, lamp, rug, curtains, and pictures.

Cost of furnishing other rooms was as follows: kitchen, $10.99; master bedroom, $21.11; boys' room, $15.82; and baby's room, $13.52. Furniture alone for the entire home cost $70.58, while yardage for curtains, spreads, cushions and other articles cost $16.06. Miscellaneous items cost $11.74.

Average Rent $18.51

Homes in the Harbor Hills development will rent unfurnished for an average of $18.51 a month, including water.

Families now living in unsafe, insanitary, overcrowded or rundown homes who have an annual income in the neighborhood of $1,200 are eligible to apply for homes in Harbor Hills, second low-rent development planned by the County Housing Authority.

W. A. HUGGINS, State Traffic Coordinator—"I drove from Stockton to Sacramento at 45 miles an hour just to see how lonesome I'd be—and the only thing that didn't pass me on the road was a load of hay!"

(g) The phrase "lay and use" shall mean to lay, construct, erect, install, operate, maintain, use, repair, replace, or remove.

SECTION TWO

That the right, privilege and franchise, subject to each and all of the terms and conditions contained in this ordinance, and pursuant to the provisions of the "Franchise Act of 1937," be and the same is hereby granted to Southern California Gas Company, a corporation organized and existing under and by virtue of the laws of the State of California, herein referred to as the "Grantee," to lay and use pipes and appurtenances for transmitting and distributing gas for any and all purposes, under, along, across and upon the streets, of the City, for an indeterminate term or period from and after the effective date hereof, that is to say, this franchise shall endure in full force and effect until the same shall, with the consent of the Railroad Commission of the State of California, be voluntarily surrendered or abandoned by its possessor, or until the State of California or some municipal or public corporation thereunto duly authorized by law shall purchase by voluntary agreement or shall condemn and take under the power of eminent domain, all property actually used and useful in the exercise of this franchise, and situate within the territorial limits of the State, municipal or public corporation purchasing or condemning such property, or until this franchise shall be forfeited for non-compliance with its terms by the possessor thereof.

SECTION THREE

The Grantee shall pay to the City at the times hereinafter specified, in lawful money of the United States, a sum annually which shall be equivalent to two per cent (2%) of the gross annual receipts of grantee arising from the use, operation or possession of said franchise; provided, however, that such payment shall in no event be less than one per cent (1%) of the gross annual receipts of the grantee derived from the sale of gas within the limits of the City under this franchise.

The Grantee of this franchise shall file with the Clerk of the City within three (3) months after the expiration of the calendar year, or fractional calendar year, following the date of the grant of this franchise, and within three (3) months after the expiration of each and every calendar year thereafter, a duly verified statement showing in detail the total gross receipts of the grantee, its successors or assigns, during the preceding calendar year, or such fractional calendar year, from the sale of the utility service within the City for which this franchise is granted. It shall be the duty of the Grantee to pay to the City within fifteen (15) days after the time for filing such statement, in lawful money of the United States, the specified percentage of its gross receipts for the calendar year, or such fractional calendar year, covered by such statement. Any neglect, omission or refusal by said grantee to file such verified statement, or to pay said percentage, at the times or in the manner hereinbefore provided, shall be grounds for the declaration of a forfeiture of this franchise and of all rights thereunder.

SECTION FOUR

The franchise granted hereunder shall not in any way or to any extent impair or affect the right of the City to acquire the property of the grantee hereof either by purchase or through the exercise of the right of eminent domain, and nothing herein contained shall be construed to contract away or to modify or abridge, either for a term or in perpetuity, the City's right of eminent domain in respect to the grantee or any public utility. Nor shall this franchise ever be given any value before any court or other public authority in any proceeding of any character in excess of the cost to the grantee of the necessary publication and any other sum paid by it to the City therefor at the time of the acquisition thereof.

SECTION SEVEN

The grantee of this franchise shall file a bond running to the City, with at least two good and sufficient sureties, to be approved by the legislative body thereof, in a penal sum of $1,000.00, conditioned that the grantee shall well and truly observe, fulfill and perform each and every term and condition of this franchise and that in case of any breach of condition of said bond, the whole amount of the penal sum therein named shall be taken and deemed to be liquidated damages and shall be recoverable from the principal and sureties upon said bond. Said bond shall be filed with the legislative body of the City within five (5) days after the date of the granting of this franchise; and in case said bond shall not be so filed, or shall not receive the approval of the legislative body, this franchise shall be forfeited and any money paid to the City in connection therewith shall likewise be forfeited.

SECTION EIGHT

The grantee of this franchise shall

(b) pay to the City, on demand, the cost of all repairs to public property made necessary by any operations of the grantee under this franchise;

(c) indemnify and hold harmless the City and its officers from any and all liability for damages proximately resulting from any operations under this franchise;

(e) file with the legislative body of the City within thirty (30) days after any sale, transfer, assignment or lease of this franchise, or any part thereof, or of any of the rights or privileges granted thereby, written evidence of the same, certified thereto by the grantee or its duly authorized officers.

SECTION NINE

(a) If the grantee of this franchise shall fail, neglect or refuse to comply with any of the provisions or conditions hereof, and shall not, within ten (10) days after written demand for compliance, begin the work of compliance, or after such beginning shall not prosecute the same with due diligence to completion, then the City, by its legislative body, may declare this franchise forfeited.

(b) The City may sue in its own name for the forfeiture of this franchise, in the event of non-compliance by the grantee, its successors or assigns, with any of the conditions thereof.

SECTION TEN

The grantee of this franchise shall pay to the City a sum of money sufficient to reimburse it for all publication expenses incurred by it in connection with the granting of this franchise; such payment to be made within thirty (30) days after the City shall furnish such grantee with a written statement of such expenses.

SECTION ELEVEN

Within ten (10) days after the passage and publication of this ordinance, the grantee shall file with the City Clerk a written acceptance of the franchise hereby granted, and an agreement to comply with the terms and conditions hereof.

SECTION TWELVE

The City Clerk of the City of Torrance shall certify to the passage and adoption of this Ordinance and cause the same to be published once in the Torrance Herald, a weekly newspaper printed, published and circulated in said City, and thirty days thereafter it shall take effect and be in force.
