Mary Lee Taylor's
MENU

Jellied Cheese Salad
 Recipe by Mary Lee Taylor
 April 3, 1941

1 package lemon-flavored gelatin
 1 cup boiling water
 2 1/2 cups grated American cheese (1/4 lb.)
 1/2 cup Pet Milk
 1/2 cup bottled mayonnaise

3 tablespoons salad oil
 2 tablespoons vinegar
 1/2 teaspoon salt
 1/4 teaspoon pepper
 1/2 cup thinly sliced, stuffed olives
 1/4 cup shredded raw carrot

Dissolve gelatin in boiling water. Let stand while preparing the following: Mix together grated cheese and milk. Cook over boiling water until cheese melts and mixture is smooth. Remove from heat and gradually stir in gelatin mixture. Let stand. Put mayonnaise in bowl. Stir in salad oil. Add vinegar, salt and pepper and mix thoroughly. Stir into gelatin mixture. Chill until mixture begins to thicken. Meanwhile rub an 8-inch ring mold with salad oil. Arrange 1/2 cup sliced olives in circle in bottom of mold. Fold into chilled gelatin mixture remaining 1/2 cup olives and the shredded carrot. Continue chilling until almost firm. Put into prepared mold. Chill until firm. Unmold and fill center with shredded cheese or other salad greens, if desired. Serves 6.

* Processed cheese of the pasteurized variety may be used if it is finely diced.
