Cherry Icebox Pie

Breaded by Mary Lee Taylor May 8, 1941

No. 2 can sour pitted cherries 2 tablespoons melted butter
 1/4 cup sugar 2 eggs, separated
 1 package lemon-flavored gelatin 1 1/2 teaspoons salt
 1/2 cup granulated sugar, 2 1/2 inches across 1/4 cup Fat Milk diluted with 1/4 cup water
 Drain cherries and save juice. There should be 2 cups cherries and 1/4 cup juice. Add 1/4 cup sugar to juice and heat to boiling. Add 1/2 package gelatin (1/2 cup) and stir until dissolved. Add drained cherries, then chill until mixture begins to thicken. Roll crackers into crumbs, then mix with 1/4 cup sugar and melted butter. Reserve 1/4 cup mixture. With back of spoon press larger amount of crumbs mixture on bottom and sides of deep 9-inch buttered pie pan. Spread chilled cherry mixture over crumbs and continue chilling. Mix slightly beaten egg yolks, remaining 1/4 cup sugar, salt, rind and diluted milk. Cook over boiling water until slightly thickened, about 4 minutes. Then add remaining 1/4 package gelatin, stirring until dissolved. Chill until mixture begins to thicken. Fold in egg whites, then spread over chilled cherry mixture and sprinkle top with remaining crumbs mixture. Chill until firm.

For This Recipe You'll Need:
 SOUR PITTED CHERRIES No. 2 can **12c**
