

Two Drunk Drivers Pay Heavy Fines

David Smith, 36, of 1616 West 218th st., who was arrested on a charge of driving while intoxicated May 31, was fined \$50 by City Judge John Shidler last Friday. He paid part of the fine and arranged to pay the balance on installments.

Verlin E. Leadbetter, 33, Lawndale, who was arrested Monday on a driving-while-drunken charge at Torrance Blvd. and Cedar ave. was fined \$75. He paid \$20 and arranged to pay the balance at the rate of \$10 per week.

HE SHOULD KNOW—Oldsmobile's Hydra-Matic Drive, because it eliminates the clutch pedal and all manual gear shifting, is one of the industry's most outstanding contributions to motoring safety and ease of driving." This statement was made by C. F. Kettering, right

above, to S. E. Skinner, Oldsmobile's general manager. Mr. Kettering, vice president of General Motors Corporation in charge of research, is the inventor of many important automobile devices, including the self-starter, according to Mullins Service, local Oldsmobile distributors.

S.A.L. CONVENTION DRAWS BIG CROWD FOR PROGRAM

(Continued from Page 1-C)

Area Captain Carroll Parish presided at the convention session when a number of dignitaries were introduced and Mayor McGuire welcomed the gathering to the city. McGuire also spoke at a banquet of the 12 and 21, service organization of the S. A. L. held at Christy's cafe. Captain-elect Lewellen is scheduled to be inducted into office August 12 at the Legion convention in Sacramento.

More than 800 thronged the Auditorium for the dance which concluded the day's festivities.

U. S. PLANTS EXPAND

Even before the defense expansion began, American factories were spending more than a billion and a quarter dollars per year for new machinery, equipment, construction and land.

History of the Flag

The Flag of the United States of America, whose birthday is Saturday, June 14, is the third oldest of the national standards of the world; older than the Union Jack of Great Britain or the Tricolor of France.

During the early days of the Revolutionary War a variety of flags were used by the different colonies and military commands. Prominent among these were the "Pine Tree" and "Rattlesnake" flags with various arrangements and mottoes.

Late in 1775 a committee of Congress with Benjamin Franklin at the head, after consulting with Washington in command of the army at Cambridge, decided upon the form for a new flag. This flag consisted of 13 stripes, red and white, with the crosses of St. George and St. Andrew on a blue field in the canton or union. This preceded the Declaration of Independence and indicated that the colonies had not wholly broken from the mother country.

Today Lesson in Flag Etiquette

When displayed with a group of other flags, the American flag should be at the top or at the highest point of the group.

When displayed on a staff projecting from a building, the field of blue should be placed to the peak of the staff unless the flag is flying from a staff.

Never display the American flag with the union down except as a signal of distress.

When displayed over a street between two buildings, the American flag should be suspended vertically with the union to the north in an east and west street, or to the east in a north and south street.

When used in connection with the unveiling of a statue or monument, the flag should be prominently featured but should never be used as a covering for a statue.

This is the third of a series of five lessons in "Flag Etiquette" as approved by the National Department of Americanism, Veterans of Foreign Wars of the United States, offered readers of the Torrance Herald and The Lomita News as a timely patriotic feature designed to stimulate proper observance of National Flag Code regulations.
