## **Three Torrance** Men Injured

in Auto Crash

Three Torrance men, a Long
Beach woman and a Redondo
Beach woman and a Redondo
Beach woman and a Redondo
Beach womb weriously, in an auto
collision shortly after 1 a. m.
Tuesday at the Wilmington bilda
and Pacific Coast (101) highway
intersection.

Elsie Robertson, 33, Long
Beach, driver of one of the

cars, southbound across the intersection, suffered a broken takene cap, broken tooth and cuts about her face and chest, officiation. ers said. She was taken to St

Lee Hyles, 21, Redondo, who said in his account of the collision that his car was in the middle of the intersection, when it was struck by the other.

## At 1667 Carson St.

Mr. and Mrs. Frank Farren, formerly of Martins Ferry, Ohio poened the restaurant at 1667 Carson st., Just east of the National Supply Co. plant, last Monday. They are serving complete meals and short orders and are specializing in delicious Sunday dinners.

### Unique Cold Treatment Leads To 'Plane-itis'

Ann Lipphardt, propletor of the Walteria Beauty Shop, has been the victim of a cold for several days so she tried her favorite remedy Sunday. She took a little plane ride.

She says she felt much better but now she has another disease. It is "Iwannapiane." After a number of little trips in the air she has started studying and plans to take a course in flying later.

### Cyclist Injured in Fall at Intersection

A motorcyclist who leaned too far to make a turn at Cabrillo and Sartori aves, last Thursday night suffered a head wo und that required three stitches at Torrance Memoriaf hospital. Charles Staner of Inglewood, the cyclist, said his machine skidded out from under him. After treatment he was sent home.

### **Council Commended for** Aiding Hobby Show

"It was just what we need in Torrance—a chance to bring our people together," wrote President B. C. Buxton of the Torrance Rotary club to the city council Monday night in commending the city's efforts to make the recent Torrance Art, Flower and Hobby Show the success it was.

More than 700 species of fish regular open seasons for traphave been identified in Florida waters.

\*Only three states now provide regular open seasons for traphave been identified in Florida America.
