Cherry Cream Pie
Broadcast by: Mary Lee Taylor, Feb. 19

2 tablespoons butter 1 cup Fat Milk
1/4 cup sugar 1 egg yolk
1/4 cup cornstarch 1 cup water
1/2 teaspoon salt 2 eggs, separated
2 1/2 teaspoons vanilla
No. 2 can pitted cherries

Melt butter. Blend in mixture of 1 cup sugar, the cornstarch and salt. Stir in diluted milk. Place over boiling water. Cook 20 minutes, after the water again starts to boil, stirring frequently. Remove from heat and stir into slightly beaten egg yolks. Return to heat and cook 2 minutes longer. Stir in vanilla. Cool thoroughly. Drain cherries well, reserving 1/4 cup for garnish. Put remaining cherries in bottom of a 9-inch baked pastry shell. Cover with cooled custard. Beat egg whites until stiff but not dry. Gradually beat in remaining 1/4 cup sugar. Spread on top of pie. Bake in very slow oven (300° F.) 15 minutes, or until brown. When ready to serve, garnish with drained cherries.

*Cherries may be cooked or canned and either the sweet or sour variety.
