Deputies will find thousands 1 of new dwellings this year, and 1 in many of them they will find new refrigerators, new stoves, i washing machines and a few 1 planos. They are to be instruct-ed in assessing these items at 1 the school. Many of the field deputies are women, particularly in rural areas, although only men are assigned to the downtown busi-ness sections. Books of business firms will be examined, along with invoncies, and efforts made to arrive at a fair valua-tion, Quinn said. Ten weeks is expected to be required to complete field sur-veys this year, and when it is sail added up Quinn expects it will be the largest total in the county's history, because of the large number of new homes. Personal property will be tax-ed on the November tax bills at this fiscal year's rate on real estate, which was \$1.4627 per \$100 of assessed valuation. Red Craces Provides toosd on her.
