Lipstick containers, rouge boxes and miscellaneous brass bottle caps used up 2.800 tons of brass in 1941, or 2.250 tons of copper and 550 tons of zinc.

Fountain pens and automati pencils used up 2,800 (tons o steel last year, enough for 430, 000 shells for 75 mm. field guns.

THURSDAY, JULY 16, 1942 **Portly Lomitan Pleads for Pants** With President

A Lomita trailer camp resi-dent and California Shipbuild-ing Corp. expediter, M. R. Wolf-kell, got a new pair of pants this week. The had to enlist the aid of President Roosevelt to get 'em because he tips the beam at \$86 pounds. Several weeks ago, Wolfkell began worrying be-cause his pants were more patches than trousers. He began shopping around and went to everyone but Omar the tentmaker, without locating a set of trousers suitably en-compassing his unusual avoir-dupois.

the tentmaker, winnut rowing a set of trousers suitably en-compassing his unusual avoir-dupois. Wolfkeil was caught with his priorities down-and no 'pants. Wires President Trom his trailer parked at 1393 Pacific Coast highway, Lo-mita, Wolfkeil dispatched a tele-gram to none other than the gram to none other than the epresident himself, which read: "Honorable Franklin D. Roose-tveit, President of the United States, White House. Voted for you three times. Asked no fav-nors, Need favor now. Need over-alls badly. I am slightly over-size, 336 pounds. Very busy building ships. Do not wish to become California" Ma ha t m a Gandhi. Please instruct Leon Henderson to send me priority for cloth and set price ceiling for pants. Rush. Need for pants is urgent." With that, Wolfkeil's wife Sophia patched another rip and Wolfkeil went to work. A few days later he received a reply from Jack E. Doron, chief of the work clothes unit. clothing, textile and leather branch, War Production Board, who asked Sophia added a new polkadot-matched while Wolfkeil worked with with while Wolfkeil worked works.

Missing In Action

Sends "Soundings" Sophia added a new po patch while Wolfkell Doron:

Softial addec a new poisson patch while Wolkkell wrote Doron: "Brother, I sure need work clothes. I am pretty well air-conditioned at the present time, "I am sending you a few measurements, or soundings, as we say aboard ship, namely: 50 inchese around superstructure (chest): 57 inches around mid-ships (waist); 32 inches from center of gravity to keel (in-seem length of pants). "This is the only country in the world that the President would take time out from fight-ing a man-sized war to get one of his supporters a pair of pants." Bo Monday Wolfkeil got his plump cheeks, went off to work with a deep-seated conviction that America is still a land of opportunity.

Coast Brick Co. **Variance Denied**

Two Lamita men were report-ed by the War Department this week as known to be interned at Shanghai after their capture by Japanese troops on Wake Island last December. George Kelly, 47, brother of Mrs. Srank L. Andrews of 25845 Narbonne ave., and Thomas F. Kelly, 33, son of Mr. and Mrs. Thomas Kelly of 248412 Oak st., were among seven Harbor Dis-trict residents the War Depar-ter of the State of the State of the were presumably taken prisoner. The Kellys, not related, were construction workers on Wake Island. Continued from Page 1) (Continued from Page 1) variance because surrounding property owners were all op-posed to further extension of the plant's excavation. However, Mayor Tom McGuire said, "I can't see why it would be any more damaging to surrounding property for the briek plant to excavate to the west than it would be to the east." Attorney William F. Barta, at a previous hearing on the ap-plication, informed the council that if his client's request was not allowed, he would take the case to the courts.

The greatest hill climber ever liscovered is enthusiasm.
