It has not been decided where the ambulance will be garaged or what schedule will be maintained to man it with drivers and attendants.

State Guard Asks Civilians' Aid In **Recruiting Drive**

How the community can assist in a recruiting drive for active and reserve members of Company H, California State Guard, will be planned at a meeting in the city park tomorrow evening. Lieuts. Chalmers H. Dulmage and Robert Lewellen have invited a group of Torrance civic leaders, including members of the city council, to assist with arrangements for such a campaign.

The civilians will be guests of the Torrance-Lomita company at a drill starting at 4 o'clock, stand to attention as the colors are lowered and then attend the mess at 5 o'clock. Because of increased assignments locally and because members of the State Guard here are being drafted and returning to school, the need for more recruits is most urgent, according to the commanding officer, Lieut, Dulmage.

Life of 15-Year-**Old Boy Here**

Charles Roy O'Brien, 15-yearold son of Mr. and Mrs. William

from emotion.

The young driver of the milk
truck reported he was driving
between 30 and 25 miles an
hour. The machine, he said,
seemed to get out of his cons
to when he jerked the wheel
over to miss the cats and the
coverturned. Young O'Toole suffered a number of bruises. The
O'Brien boy was rushed to Torrance Memorial hospital in Stone
& Myers' ambulance.

The O'Brien family until recent months lived in Lomita,
coming there from San Pedro.
Besides his parents, Charles is
survived by three sisters, Evetlyn Jane, Dorotthy Ruth and Joy
Ann; three brothers, Richard
Lee and Lowell Leslie of Torrance and William Bruce who is
serving in the Navy; his grandparents, Mr. and Mrs. L. A.

d an aunt.
