Narbonne and San Pedro Battle For League Title Wednesday

By STANLEY PIERSON

Late tomorrow (Wednesday) afternoon the championship of the Marine league for the 1942 grid season will have been decided. Narbonne and San Pedro, the contenders for the title, will clash on the latter's field in what is certain to be the outstanding game of the year. At the same time Torrance travels to Banning for a game which will determine another league distinction— which of the two teams will take the cellar championship.

Narbonne's Gauchos are one game up on the San Pedro Pirates by virtue of their 5 to 1 win over Banning last Thursday. The decision reversed the result of the first round tilt which Banning copped but later forfeited. Torrance suffered its fifth straight defeat the same day when Gardena's Mohicans triumphed 7 to 0.

Dick Mertz planted the oval in pay dirt in the third quarter of the Narbonne-San Pedro game, climaxing a 40-yard drive. Several Gauchos had been halted outside the 20-yard stripe. Banning, threatening several times in each chapter, thrice were turned back inside the Narbonne 20. Lineups:

Torrance (0)	Narbonne (6)
Helm	Blair
L. Nিকেবেচ	Millburn
Basilian	Murray

WAGNER RUN DEFEATS TARTARS

Kenny Wagner skirted right end and ran 35 yards to score for Gardena to provide a 7 to 0 win over Torrance at Gardena. It was the only real scoring threat of the keenly contested battle.

The triumph was exceptionally pleasing to the Mohicans, who made it a farewell present to Coach Norman Jacot. The coach left this week for the Army. Jacot took over the Gardena squad this season from Coach Loren Peak, who had been forced to duty with the armed forces.

Strong winds hampered both teams and made kicking difficult. Kenny Wagner of Gardena and Sonny Post of Torrance were outstanding. Wagner intercepted one Tartar aerial on his own 12 and raced to the Tartar 31 before being pulled down from behind by Walter Smith. The Tartars lost their best scoring chance in the fourth quarter when a long pass from Post to Bob Leach was completed on the 10 but a fumble was recovered by Gardena to end the threat.

Torrance Awarded League Trophy Again

Torrance high school has been awarded the Marine league sportsmanship trophy for the second straight year, and with Narbonne, has two legs on the award.

The trophy must be won three times for permanent possession. The sportsmanship award is based on actions of student bodies at all sports events. The presentation was made at a league breakfast meeting at Torrance. Charles Sutcliffe of Narbonne presided.

John Holm Takes Shipyard Job

Another prominent Lomitan who carried his retirement several years ago has resumed active work to help bring victory. He is John Holm, chairman of the Lomita Civilian Defense committee and former general building contractor, who is now employed in the wood-working department of the L. A. Shipbuilding Corp., at San Pedro.

H. H. Halladay, secretary of the Lomita Chamber of Commerce for many years, ended his retirement to become a special waterfront watchman at the harbor. He is on a 24-hour-a-day call for this war service.

Neither Holm nor Halladay have relinquished their posts in the community's civic activities. Halladay is on a leave of absence to Jan. 1, 1943 and Holm will carry on his Civilian Defense work in addition to his new war job.

Remember the Auto Shows?

Remember the glitz and thrill of the annual auto shows held around this time of the year? The new cars gleamed with the lure of sirens; and the man who owned a last year's model went to see what was what in the way of new lines and comforts and inventions—went determined not to weaken and buy a new car, but secretly—in his heart of hearts—hoping some salesman would overpower him!

Many's the motorist who must have thought nostalgically of those war-vanished shows when he read the other day that the

Automotive Council for War Production has recommended to all plants that they turn in for war scrap all tools, dies and fixtures not essential to the manufacture of replacement parts for essential automotive transportation. But this scrapping of equipment of the recent "old" days is of itself a promise that the next annual auto show, the first after the war, will be a show to bulge the eyes of the most blasé auto addict. Improvements in motors, fuels, design and weight distribution, are being made. Secrets now military will appear in

THANKS DAY DINNER PARTY ARRANGED

The home of Mrs. John Barker at Redondo Beach will be the setting for an enjoyable Thanksgiving dinner party. Her guests will be Mr. and Mrs. Fred Harder and children, Jerry and Linda, and Mrs. Sarah Jane Moon, all of this city, Mr. and Mrs. Nels Llewellyn and daughter, Judy, and Miss Vivienne Barker.

It's natural enough to think wistfully of the auto shows of old. But another one is coming—and when it does, it will be well worth the waiting!
