

Eastern Star Installs Officers

MRS. BILLIE KERBER and HILLMAN R. LEE installed as Worthy Matron and Worthy Patron

Ushering in the Yuletide season and a new year of diverse activities for Torrance Chapter, No. 380, Order of the Eastern Star, a capacity gathering at Masonic Temple Saturday evening witnessed the impressive 22nd annual installation rites when officers were inducted.

Mrs. Billie Kerber will serve as the chapter's worthy matron and Hillman R. Lee will be worthy patron. They will be assisted by Frances Buckley, associate matron; Earl Babcock, associate patron; Rosearnold Winters, secretary; Jennie Moore, treasurer; Naomi Brown, conductress; Hazel Fossum, associate conductress; Edna Weis, chaplain; Cicely Perkin, marshal; Juliette Johnson, organist; Ethel Bremner, warder, and Fred Bever, sentinel. Harriet Condon, Garnet Johnson, Evelyn Ruppel, Loma Turner and Gladys Mothersell will serve as Star Points.

The program was highlighted by a splendid talk by Logan Cotton, past patron of Playa Linda Chapter, in which he stressed the importance of the fine work being done by Masonic organizations to offset chaotic world conditions.

A beautiful symposium, written by Mrs. Lillian Dye, who also served as installing matron, was read by Mrs. Estelle Graham, past matron. Vocal selections by Leonard D. Babcock were enjoyed.

IF YOU WENT SHOPPING IN A JEEP...

GAS, TIRES & TRAFFIC WOULD NOT WORRY YOU!

It would certainly be convenient to have an army jeep to use for your shopping trips. With plentiful tires and gasoline, you could drive as far as you liked to do your food buying. Other drivers on the road would yield their "right-of-way" so that you could sail right along. But all this is in the realm of fantasy.

Practical folks are finding that there is no need to travel far in search of food bargains. In their neighborhood Safeway stores they are finding all their food needs—and at money-saving prices. You too can save tires, gas, time and effort—as well as money—by shopping at your Safeway store.

THIS IS IMPORTANT

UP-TO-DATE bean cookery suggests that to cook navy, lima, pink and red, kidney or cranberry beans, you pick over beans carefully, removing any damaged beans or foreign particles. Wash well in sieve or bowl. Do not soak. Improved agricultural methods have made it possible to produce more tender beans with tender skins. Soaking will cut cooking time about one-third, but makes beans mushy and unattractive. Place in kettle at least 4 times greater in volume than beans. Add hot water to cover and 1 tsp. salt for each cup beans and cover. Cook at simmering temperature until beans are tender, 2 to 3 hours. Add more water as needed to keep beans well covered during cooking.

*Limas should be soaked in water to cover 6 to 8 hours or over night as they cling to their tough outer skin.
