

Final League Grid Games Today; Narbonne Again Trips Torrance

By STANLEY PIERSON

The Torrance Tartars engage the San Pedro Pirates at Torrance this afternoon in an effort to upset the dope and knock the Pirates out of the Marine League championship. At present, San Pedro and Narbonne, which finished its season last week, are in a tie with six wins and two losses each although the Pirates are really the leaders since they defeated the Gauchos twice.

The San Pedro-Torrance game and the Gardena-Banning encounter at Wilmington will mark the official close of the 1942 Marine League grid season.

Last Thursday's game saw the Gauchos hand the Tartars their seventh consecutive setback of the season by administering a 13-0 lacing. The initial touchdown came in the opening minutes of the game after a fumble on the part of the Tartars gave the Gauchos the ball deep in Torrance territory. The scoring play was a 23-yard aerial and run from Ray Cheek to Dick Mertz.

With approximately five minutes left to play in the first half, the Gauchos started a touchdown drive which went for 50 yards in 11 plays and was culminated by a line buck from the 1-yard line by Cheek, who also added the extra point.

The Tartars drove down close to the goal line in the third quarter after a long pass from Sonny Post to Chuck Rippey had given them a first down on the Gaucho 8. The strong Narbonne line stiffened and held the Tartars back for the four downs. The rest of the game was rather even with several aerial thrusts by the Tartars being thwarted.

Guardsmen to Hold Christmas Dance on Dec. 18

That traditional foresighted fellow who sought to "kill two birds with one stone" was one jump behind Company H (Torrence-Lomita's own) of the California State Guard. The Guardsmen intend to slay three birds at once Dec. 18 and have a good time doing it.

They plan on providing some recreation for themselves, offer the same attraction to civilians in this area and replenish their company fund by holding a Christmas dance that night at the Torrance Moose hall, 1951 Carson st. The festivities, including some special entertainment staged by the Guardsmen themselves, will begin at 9 p. m., and continue to 3 a. m., for war workers who are on swing shifts. The public is invited to the dance program and all proceeds will go into the company's fund which, at the present time, is flatter than many pocketbooks the day after Christmas, according to Lieuts. Chalmers M. Dulmage and Robert Lewellen.

An effort is being made through the Hollywood Victory committee to have a number of guest celebrities visit the dance during the evening. Company H, with headquarters in the Torrance city park, is engaged in guarding a number of vital installations in this territory. Members of the unit are now selling tickets to the Dec. 18 dance and will also have them available at the Moose hall that night.

Rent Registration To End Dec. 15

With registration under the Federal Rent Control act in its final week, David Barry, Jr., acting rent control director for Los Angeles and Orange counties, today reminded landlords of the penalties for failing to comply with the regulations. The deadline is Tuesday, Dec. 15. "Penalties for violations of the rent control act including failure to register are imprisonment up to one year, a fine of \$5,000 or both," Barry declared.

A number of special offices were set up this week, in addition to the ten major registration centers, Barry disclosed. The nearest offices are: San Pedro at 922 South Pacific and Long Beach at 233 East Broadway.

DOCTORS IN SERVICE
It has been estimated officially that at least two-thirds of the 80,000 doctors under 45 years of age will be required by the Army and Navy. That is nearly one-third of America's total medical force.

Gardena Upsets Pirates 13-7

San Pedro high school tangled with a three-beaten Gardena outfit to suffer an upset 13-7 defeat at the hands of the invading Mohicans last Thursday. The stinging loss could have been much worse and added another chapter to an already dizzy football season.

The Pirates, undefeated in actual combat, were favored to turn back the Mohicans, who had previously lost to San Pedro and twice to Narbonne, which team San Pedro thumped twice.

But, in advancing predictions for the outcome of the tussle, few people allowed for a youngster named Wagner. Said Wagner spent most of the afternoon in San Pedro's hair and territory. His running, from fake punt and pass formations stirred the handful of spectators on several occasions, climaxing by the third quarter gallop for 80 yards and six points, the ultimate winning margin.

Hoarding 'Gas' Coupons Futile

The futility of hoarding gasoline ration book coupons was pointed out this week by Paul Barkdale d'Orr, Southern California rationing chief, in a warning issued to all motorists.

The eight stamps forming the first page of the "A" book will expire at midnight, Jan. 21, d'Orr said, and will not be honored after that date by service station operators.

D'Orr instructed all war price rationing boards to give every consideration to the recommendations of recognized plant transportation committees which are cooperating with the government in the rationing plan.

MEDICS IN ARMY
One-third of California's state hospital doctors are now in the armed forces, Dr. F. O. Butler, acting director of institutions, disclosed this week.

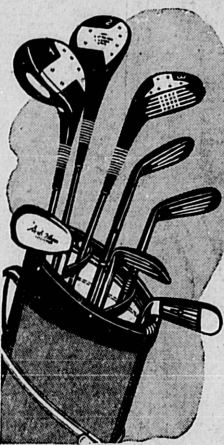

Important Wartime Dates

Dec. 12—Illegal for motorists to drive after this date, if they have not registered their tires; deadline for turning in idle tires by passenger car owners. Those with more than five tires will not be allowed to use gasoline after this date.

Dec. 15—Last date on which Ration Stamp No. 9 may be used to buy sugar.

Dec. 15—Last chance to register for War Ration Book One (sugar and coffee book). Registration for Book Two.
