

Three Pounds of Sugar Allowed on Stamp No. 10 Now in Use

Housewives will be able to buy three pounds of sugar on stamp No. 10 in their war ration books. This amount, which is purchasable until Jan. 31, is the same as is allowed on No. 9 stamp, the one now in use.

Institutional users, which include restaurants, hotels and boarding houses, will be allowed the same amount as under their expiring quotas—50 per cent of their base period consumption, plus a 10 per cent bonus.

IDENTIFY GAS COUPONS

Car owners and others holding gasoline ration books are required to write identification on the back of each coupon to insure against theft and misuse. For most passenger car, truck and motorcycle operators this identification will be the vehicle's license number. Gasoline dealers will not be permitted to accept the coupons unless they are so identified.

Torrance Upsets San Pedro 13-12; Narbonne Retains Marine Title

By STANLEY PIERSON

One half of the Marine League's mythical football championship pennant which was retained by Narbonne high school last Friday should go to Torrance. The sharing would be most appropriate and deserved because Torrance gave Narbonne the grid title again by pulling a sensational upset victory that knocked San Pedro out of the championship.

The Tartars who had lost seven successive games defeated the Pirates 13 to 12. Touchdowns by Wallace Smith, fullback, who sprinted 85 yards for the first score in the opening period, and Charles Rippy who received Wally Post's 12-yard pass in the second quarter, and Dave Wilkes who plackicked the margin of victory should enshrine those four Tartars for years to come at the Torrance school.

Brotherly love, which has been a negligible between Torrance and Narbonne, should engulf the two institutions—at least until next football season, if there is one. San Pedro was the top-heavy favorite to cop the tilt with the beaten, battered Tartars, underdog all season long. Narbonne had finished its playing schedule and was content to take second place.

The Upset of All Time
But the Tartar spirit, never strong anytime, burst into flame last Friday when Smith made his long gallop and the Torrance gridders were not to be headed for the remainder of the game. The Pirates, overconfident of victory, came out of their stupor after the half-time rest period and rushed over two touchdowns in the third and fourth periods but failed to convert after each one.

Andy Suich climaxed a 78-yard third-quarter Pirate march with a seven-yard smash for a touchdown and Paul Gaddis added six more points, when he dropped on the following kickoff behind the Torrance goal. Torrance braved through the remainder of the fourth period and marched triumphantly off the field with their slender and only victory of the season.

Boots Perfect Kick
Things started happening early in the first quarter when Walter Smith got away for the longest run registered in the Marine League this season. With perfect blocking taking out every man but the safety, Smith was suddenly sprung into the clear and raced 86 yards for a touchdown.

After holding the Pirates back until well into the second period, the Tartars started a 90-foot drive. With Wallace Post hitting the center of the line repeatedly for nice yardage the Tartars marched down to the 12. With only three seconds left to go in

the half, Post dropped back and rifled a spot pass to end Charles Rippy who took it out of the arms of a Pirate defender and fell over the goal line. Dave Wilkes then stepped up and made what proved to be the deciding point by booting a perfect placement.

Coming out with plenty of fight in the second half, the Pirates proceeded to tear into the Tartar line which although out-guaged managed to halt three drives inside their 15 yard line. The Pirates were not to be denied however and on the fourth down, Andy Suich plunged over from the 1-foot line. The all-important conversion was stopped and the Tartars led by seven points.

No Fluke Victory
The kick off was a long high one which rolled into the end zone. The Tartar safety man, Walter Smith, supposing the ball was dead let it lay and Paul Gaddis aware of the fact that it was a free ball on the kick off fell on it for a touchdown. The forward line of the Tartars seeing victory being snatched from them, broke through and stopped Suich's attempted conversion.

Smith, making an effort to make up for his mistake returned the ensuing kickoff brilliantly 65 yards to the Pirate 35 before he was stopped. This run put the Tartars on the offensive and they were able to control things fairly well for the remainder of the game.

The game should by no means be regarded as a fluke victory inasmuch as statistics showed the Tartars definitely outplaying the Pirates in every department. This was the last game for seniors: W. Post, Goettsch, Cates, Holloman, Rippy, Gores, DeWitt, D. Wilkes, Bishop, Prowten, F. Wilkes, Hogue and Stirling.

Tartar Bees Battle
And, except for a third quarter pass interception, one completed pass to the 27-yard line, and another for a touchdown, the San Pedro lightweight might have suffered the same fate. The Tartar Bees also without a victory for the season, carried the fight to San Pedro through the first half and made life miserable for Coach Chuck Bever through the final period. San Pedro's Bees nosed out the Tartar lightweight line to a touchdown. As a result of the loss to the Tartars, San Pedro wound up the season with five wins against three losses to tie with Gardena for second place. Narbonne, by the upset outcome, became the only 1941 L. A. school system squad to successfully defend its title. Lineups:
