War Building Now Confined To Four Districts

Outstanding in the week's activity in the effort to obtain war housing in Torrance and surrounding area were these factors, as reported by Pat MacDonnell, city housing coordinator.

A recent report of the War Manpower Commission that Los Angeles county is not in the "critical list" so far as labor supply is concerned and had sufficient manpower to operate industries contributed to the National Housing Agency's decree that no more housing allocations (priorities) will be granted in the county. The NHA reported its rental survey indicated there were ample vacancies.

There were 1,750 available priorities for the area south of Manchester ave. In order to protect the most critical portions of that area, K. C. Vandierip, head of the NHA for Southern California, designated four districts for immediate attention and divided the 1,750 priorities as follows:

651 Priorities Filled

Inglewood - El Segundo - Hawthorne and Lawndale district, 350; Torrance-Gardena area, 200; Wilmington-San Pedro area, 200, and Long Beach-Lakeview village area, 1000. No further allocations are said to be obtainable at the present time.

At the time this action was taken 651 applications were in to the NHA from the Torrance-Gardena area; Russell R. Bear, 24; United Property and Construction Co., 80; Jefferson Finance Co., 180; Hamilton Homes Inc., 200; Canoga Investment Co., 61; Mr. Korchak, six.

MacDonnell hopes thru further negotiations that further consideration will be given all these applications in to date and to further that end the industries are cooperating.

Change Plasterers' Hours

The city housing coordinator reports that as a result of an interview held with George E. Burns, Harbor District representative of the Los Angeles Building & Construction Trades (labor) council, that plasterers working in the Torrance-San Pedro division will be allowed to work eight hours instead of six. This action will greatly relieve the building situation so far as Torrance is concerned because plasterers have been averse to coming out here and working only six instead of eight hours as they do in Los Angeles.

Social Worker Has Regular Hours Here
