Kiwanis Ready to Visit Gardens
Inspection of Victory gardens registered by their cultivators with the Torrance Kiwanis club for awarding of honor certificates will begin next Thursday, according to Gaston Arce, chairman in charge of this war activity for the club.
The certificates to be awarded state that the honor is conferred for "patriotism in planting and harvesting a Victory garden, also for cooperation in wartime activities and the purchase of United States bonds."
Those desiring to have their gardens visited by the service clubmen, who will make inspections every Thursday, should call Torrance 476 and list them, giving name and address.

Ration Chief Needs Help
Faced with another big job that of issuing gasoline ration renewals—F. W. Daniels, chief clerk of the Torrance War Price and Rationing Board, today appealed for volunteer helpers at his office, 2300 Carson st., Torrance.
"Beginning June 1 we will start issuing B and C gas ration renewals," he said. "We can use almost any number of volunteers for as many hours a day as they wish to contribute their services."
Daniels will be glad to register such help at his headquarters in the Torrance Health and Welfare Center.

Chaplain's Offering Scheduled Sunday at Episcopal Church
Members of St. Andrew's Episcopal church will make their annual offering for the Army and Navy Chaplain's Fund Memorial Sunday, May 30, according to the vicar, Rev. Paul M. Wheeler. The offering is taken nationally and then used by the Army and Navy Commission to furnish Episcopal chaplains serving our armed forces with necessary equipment.
Through the fund, servicemen are provided with prayer books and Bibles, financial help if necessary, and chaplains receive communion sets and supplies. The local parish has 30 men with the armed forces at the present time and at the 11 o'clock service there will be a special prayer of intercession for them.

SOMETIMES - ON SOME CALLS - THE LONG DISTANCE OPERATOR WILL SAY -

"Please limit your call to 5 minutes. Others are waiting"

MANY Long Distance calls go through about as fast as ever.
But sometimes there's an extra-heavy rush on certain circuits—especially in war-busy places.
Whenever that happens, the operator will ask you to limit your Long Distance calls to 5 minutes.
The idea is to give everybody a fair share of the wires. That gets to be more and more important every day.
