Construction Workers Urged to Join Seabees

If you are a skilled American construction worker, you can help win the war now by joining the Navy's building - fighting Seabees. Thousands more of such men are needed at once. Such is the message carried in current Greyhound advertisements appearing in more than 500 newspapers. This wide coverage in the West was decided upon due to the urgency of the situation and to the fact that, with the Axis reeling under repeated Allied blows, the time to strike is when the iron is hot. And the Seabees, it was pointed out, can help deliver the "Sunday punch."

"Follow your trade in the Navy," says Greyhound. "For men who wish to get in the thick of things, the Seabees offer action. They're a tough, hard-hitting organization of specialists who build bases and help hold them, repair battle-damaged ships and other Navy equipment, back up the combat line with tools and guns."

Mechanics, carpenters, electricians, shovel operators, pipfitters, steel workers, riggers, drivers, draftsmen—these are only a few of the many craftsmen needed in the Seabees. Red-blooded men from 17 to 50½ are eligible. Full information may be obtained at your nearest Navy recruiting station. In this area it is at Grevillea Park, Inglewood.

In devoting its advertising space to the Seabees, Greyhound is following its practice of serving the armed forces first. In addition to many other wartime activities, Greyhound long has provided vital transportation for the Seabees, getting them to and from mainland jobs and embarkation points. This essential war service is one of the reasons why the company now urges civilians: "Please don't travel unless absolutely necessary."

Local depot for Greyhound Lines at the Beacon Drug Co., Torrance.

Townsend Club No 1

By BETH PAIGE

Our delegates to the Post-War Planning Commission are taking a deep interest in the new society being formed, and are diligently reporting various suggestions and points of view to this club. Parents and relatives of our 800 boys in service please attend Monday evening, Aug. 30, in the city council chamber at 8 o'clock.

Despite warm weather we continue to have visitors from outside clubs meet with us; last week Fred C. Calloway from Station KNX reported on a large number of matters of interest. A fine editorial was read by Mrs. Davis, giving Dr. Townsend's sensible views on post-war planning. Tomorrow evening we hold our usual social evening. Everyone welcome.

NEWLYWEDS FETED

Mr. and Mrs. H. L. Bodley entertained at dinner Friday evening for Mr. and Mrs. Frank Davis whose wedding took place last month at Wee Kik of the Heather in Glendale. They were joined later by Mr. and Mrs. W. F. Burgener and sons, Harold and Dick.

HOME FROM VACATION

Mr. and Mrs. D. A. Murphy and sons, Jimmy Gene and Billy Pat have returned from a vacation at Lake Arrowhead and Wohlford where they enjoyed fishing. Mr. and Mrs. Walter Donnelly of Inglewood and formerly of this city shared many pleasant vacation hours with them.

HEN DOES HER PART
Mrs. S. C. Shepherd, 2233 229th st., has a hen which is doing her part for victory on the home front, by going all-out for production. For some time now Mrs. Shepherd, the hen has been laying double-yolk eggs. Recently she has started giving out with triple-yolks. Should be an "E" flag for such devotion.

CARROTS ARE VALUED
Even the vegetables are victory-bent this year, says Mrs. Olga M. Davis, 2312 Dominguez st. Last week she brought to The Herald office proof of her opinion in the shape of two carrots twined together to form an almost perfect "V."

VISITS GRANDPARENTS

Sherman Earl Watson, small son of Mrs. Earl Watson of San Diego, is spending the week with his grandparents, Mr. and Mrs. James A. Evans here.
