THE TRADER SAYS
Well, we feel better—but if we took ALL the cold, coughs that were offered we'd 'a been too busy making and taking things to run this place—what little we did run it. People are nice, though, and a lot are bringing things in and we buy them and don't haggle—thanks! We got in a nice dinette set, the kind with 2 benches and 2 chairs, most grinders—no one else had 'em—plus a couple of drop leaves—it's a good buy; it has a matching desk (secretary type) and chair—we'll sell them together or separately. Also we have a swell pre-war club chair full of springs and covered in co-ordinated velour; and a couple bed-type divans, pre-war too. Lots of springs and some dressers. Some radios, all play good, and one Philco Portable.
