

High School P.T.A. Christmas Program Will Be Featured

Torrance high school P.T.A. will hold a regular meeting at the school at 2:15 p.m., Friday, Dec. 10, when the annual Christmas program will be featured. The board will meet as usual at 1 p.m. in the conference room. After the stimulation of the youth panel in the last meeting, the organization looks forward to an even more vital program in reaching the youth by understanding them and their needs. Each member of the organization was challenged by the deep thinking that the young people had been doing along the lines of employment during the war times. They evidenced constructive ideas as to post-war problems that will face the world in cooperating with Russia and the Pan-American countries as well as dealing with the matter of policing the world and rehabilitating the subjugated peoples. Their reactions on inflation, avoiding a depression, and women working after the war, brought some twinkles of humor as well as a challenge.
