What You Get When You Buy in PALOS VERDES ESTATES

When you buy property in Palos Verdes Estates, you get a great deal more than just a piece of ground. You buy parks, school sites, playgrounds, wide highways, ocean frontage, etc. Designed to meet the needs of a maximum population, these are paid for and are included in the present price of the property you buy.

The ground you buy is the smallest part of your purchase. The added values, many of which you cannot get elsewhere, actually cost an average of \$1500 per lot. Yet you can buy lots here as low as \$400. That means a present to you of at least \$1500.

Add to all these advantages the rich soil, mild climate, marvelous view, wonderful schools, exceptional recreational facilities, and you really get "American Living at Its Finest."

Remember: It costs no more to live and raise your family in beautiful Palos Verdes Estates. This is not a rich man's colony. Your lot will cost you less if you buy right now. Even the working man here can have and enjoy the same advantages as a millionaire. Here truly your home is also your playground. For further information, see us week days or Sundays.
