Save Paper Bags, Plea of Store Owners

Housewives are urged to conserve paper in the form of shopping bags, the retail merchants of Torrance and Lomita said this week.

The paper shortage not only is hitting the newspapers, but the retail stores, and especially the food stores.

The Torrance Chamber of Commerce has requested coperation of all citizens in this appeal.

Take your used bags to the

appeal,

Take your used bags to the
store next time you go shopping. That is the sum and
substance of the message.

YOU CAN'T AFFORD WEAK, OR CORRUPT. **PROSECUTORS**

Organized, protected and vicious rackets must rot return to Los Angeles city and county!

This today was the rallying cry of GOOD GOV-ERNMENT forces supporting the candidacy of Henry I. Dockweller for DISTRICT ATTORNEY of Los An-geles County at the May 16th primary election.

For twenty years, much of Los Aageles County's law enforcement machinery was operated NOT AGAINST THE RACKETS, BUT IN BEHALF OF RACKETEERS AND CORRUPT POLITICAL BOSSES.

"We cannot have protected vice, gambling, and crime and efficient law enforcement at the same time -one cancels out the other—neither can we abute the growing menace of juvenile delinquency if we permit corrupt politicians and racketeering bosses to subvert the law," says Henry I. Dockweller.

"For twenty years, we had "THE SYNDICATE." We cannot afford "THE SYNDICATE" and at the same time, have a low delinquency rate and high quality law enforcement. "THE SYNDICATE" demonstrated that murder is one of the corollaries of controlled and protected rackets."

Racketeers are not altruists. They do not spend their money in political campaigns for nothing. They expect something in return. They demand stuttifica-tion of the law in respect to rackets. By using funds derived illegally, in political campaigns, racketeers DESTROY GOOD GOVERNMENT AT ITS SOURCE.

In 1940, John Dockweiler, elected District Attorney by 266,000 votes, sounded the temporary death knell of the criminal-political hierarchy in Los Angeles city and county, the gang who looted, pillaged and sub-verted the law for 20 years.

The story of their evil was written in Collier's magazine in an article by George Creel, published in September, 1939. Creel exposed the fact that "PHE SYNDICATE" did exist and that they directed a vice and crime empire from a suite of rooms in a downtown Los Angeles hotel.

Heary Dockweller, brother of the late District At-torney John F. Dockweller and son of I. B. Dockweller, for many years dean of the Democratic party in Cali-fornia, is a candidate for the office of District At-torney.

He has the unanimous endorsement of the Democratic County Central Committee.

The incumbent was appointed after the death of John Dockweiler, and before his burial, by the Los Angeles County Board of Supervisors.

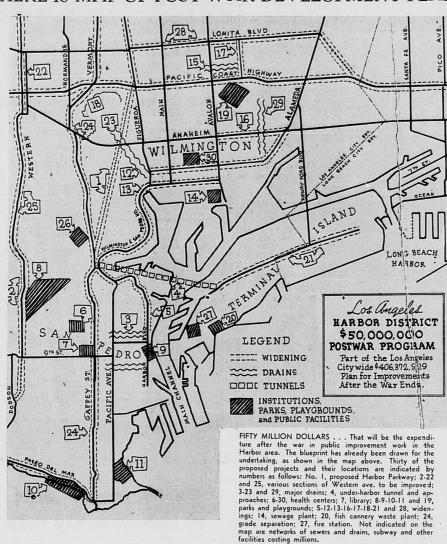

Angeles Centry Board of Supervisors.

Henry Dockweller has 27 years of successful law practice behind him and eight years spent in the United States diplomatic service in Japan, China, Spain, and Latin-America. He was John Dockweller's constant advisor until his death in 1943.

Henry Dockweiler is your best guarantor against rackets and against the return of "THE SYNDICATE" whose business is SUBVERSION OF THE LAW. Help Henry Dockweiler hold the line against graft and crime.

Pastor Reports on Year In Africa

Rev. Joe E. Nash, former pas-or of the Walteria First Funda-

Rev. Joe E. Nash, former pastor of the Walteria First Fundamental Baptist church, recently completed a year in a remote African native settlement, according to one of his letters just received here. Working among the Mada tribe, he has brought about 70 into his work, "not counting those who backslid," he writes.

Nash related that he had taught about 15 natives to read quite well and others were progressing in their studies of English.

"Recently," he wrote, "a new work was opened up in a district about 15 miles from here amongst scattered fragments of the Ninzam tribe and also some of the Mada tribe. As the work progressed a native evangelist from another station was sent to help out and in the three months he has been there has reported over 100 conversions and the converts wanting a church building and to be taught to read."

To the Voters of Los Angeles County

The issue presented in the May 16th

The issue presented in the May 16th primary election of a Superior Court Judge for Office 17, is squarely this. In that office will you accept former Governor Olson's 33-year-old (Governor's) Secretary, SELECTED FOR YOU BY OLSON, appointed to that office by Olson as his political pay-off after Olson had been defeated for reelection, or will you make your own celection for that office YOU THE VOTERS ELECTED AND TWICE RE-ELECTED ME TO YOUR BENCH for three successive terms of six years each NO POLITICIAN SELECTED ME for your judge, YOU THE PEOPLE NOMINATED AND ELECTED ME without previous political appointment. For fourteen years I have earnestly and successfully fought to keep your Superior Court out of politics, and the election of its Judges in the hands of the people, this in face of most bitter opposition. I believe, when you are informed of this, you will agree Lhave fought for your vote and earned it.
