Torrance High Annual Orders Being Taken

Torrance High school student body store is taking subscriptions for the school annual, declared by the students to be the "most compact and complete war-time annual to come out of our own print shop." They are selling the issue for 50 cents, and will print only enough to fill orders, it was said. The annual is fully illustrated.

Principals Plan Youth Activity Control Survey

To formulate and discuss plans for youth activity control, principals of the five high schools and one junior high school in the harbor area gathered for breakfast at Torrance High school on Tuesday, June 6, as guests of Harold E. Perry, principal of Torrance High. Acting as steering committee for the youth meetings which will follow, the principals discussed facilities available in the harbor district for wholesome youth activity.

Students met at Banning High school some six weeks ago for the first time in the Harbor area to discuss leisure time activities. Those present at the breakfast were: Cecil P. Lyon, principal of Narbonne High school; Edwin F. Whedon, principal of San Pedro High school; Harry E. Gross, principal of Banning High school; Frank X. Goulet, principal of Gardena High school; C. E. Stannard, principal of Dana Junior High school.

Harry B. Lewis Progress Good; Will Be Out Soon

Harry B. Lewis, executive secretary of the Torrance Chamber of Commerce, is progressing very favorably and will be out and around Torrance soon, it was reported this week.

Lewis was injured in an automobile accident when the car in which he and his wife were riding was struck by a car at Fifth and Flower streets in Los Angeles, a few weeks ago. Mr. and Mrs. Chapman Wentworth, in whose car they were riding, escaped without serious injury, as did Mrs. Lewis. Lewis is confined to his home recovering from a broken pelvic bone.

Rubber tonnage in the Belgian Congo is being upped to exceed the 1943 output. Quality of rubber from the Congo is said to be much higher than the average plantation production. Highlight of the banquet will be the installation of new officers and G.A.A. awards for excellence in athletics. Carolyn Mitchell, Lucy Rose, Bernice Cline, Elsa Stanley, Jean Clark, Betty Fiesel, Marjorie Chambers and Carol De Bra comprise the decorations committee.

Girls' Athletic Association Being Entertained

Approximately 80 members of the Girls' Athletic Association of Torrance High school were to be entertained at a banquet this evening at 5:00 o'clock at the Evangelical Guild Hall. Principal Harold E. Perry and Vice Principal Miss Elizabeth Parks were to be honorary guests, along with G.A.A. sponsor, Miss Bernice Johnson, and athletic instructor, Miss Catherine Jennings.

Presided over by Marjorie Chambers, G.A.A. president, the girls will be served by members of the Junior Athletic Club for girls, the motif being "El Rancho G.A.A." Entertainment will include skits, music and singing along with a prepared program. Mrs. Edna Neher Charles, formerly of federal nursery schools in New York City, will direct the University College classes. Detailed information regarding this class may be obtained by calling University College office, Richmond 4111, station 415.

Nursery Training Course Starting At University

Tuesday, June 6, the University of Southern California began another intensive training course for students who wish to qualify as teachers in nursery schools and child-care centers. This training will prepare them to obtain the temporary permit granted by the State Department of Education to teach in nursery schools in California. Course is four weeks in length, and four units of college credit is given. Additional nursery school teachers must be trained to employment by the boards of education. Beginning salaries range from \$130 to \$165 per month. Mrs. Edna Neher Charles, formerly of federal nursery schools in New York City, will direct the University College classes. Detailed information regarding this class may be obtained by calling University College office, Richmond 4111, station 415.
