**Vacation Day Camp For Girl Scouts, Brownies Launched**

Torrance Park was a scene of bustling activity as 120 girls from Waleria, Lomita, Gardena and Torrance gathered for the first annual Summer Day Camp for this area. Mrs. Frank Church, director, and her assistant, Mrs. Sally Kirsch, efficiently registered the girls and sent them to their proper units, ranging from 7 and 8 year old Brownies to 15 and 16 year old Senior Scouts, who serve as program aides. Each unit was under supervision of two Scout leaders, as was the nursery, where young children of the leaders were cared for. Getting acquainted, setting up camp areas, and preparing lunch filled the morning hours and after a rest period during which plans for Thursday's cooking and activities were made, crafts claimed the girls' attention. Tin cups and utensils, lanyard braiding and carving, taught by the first visiting specialist, George Thatcher of Waleria, filled the afternoon.

The camp will continue on Tuesdays and Thursdays for four weeks. All registration is closed as the capacity of the camp site and the number of trained leaders has been reached.
