M. Jain to apply for \$12,900 government funds for postwar planning and specifications for improvements in the City of Torrance. Torrance postofice hit another milestone in the fiscal year ended June 30, 1944, with 12-months postal receipts reaching \$106,773.09. This figure is nearly three times the total receipts of 1940, when the local unit became a first class postoffice, according to Postmaster C. Earl Comer. It took receipts of \$45,285,81 to Torrance. The figures for the past year reflect the tremendous growth reflect the tremendous growth to business of Torreno, it was Help Yourself Torrance. It it a matched money deal, the city being required to match the aid if it is allowed. The money is available, Jain told the council, from the government. Laundry USE OUR DOMESTIC WASHING MACHINES ONLY 60c PER HOUR orrance. The figures for the past year eflect the tremendous growth f business of Torrance, it was Remove cellophane from a lamp shade as soon as it's put to use. Otherwise, the heat from the bulb and varying weather conditions will cause the cellophane to shrink, bending the frame and wrinkling the silk. To keep shades clean use "silp" covers which are made for the purpose. of business of Torrance, it was said. A gain of \$28,828.41 was reg-istered over the \$77,944.68 total receipts for the fiscal year end-ing June 30, 1943. The business for the fiscal year ended June 30, 1942, was \$55,827.66, and in 1941, \$45,528.69. Postmaster Conner estimates that the business for the calen-dar year, upon which postoffice grades are determined, will reach \$125,000. In the final quarter of the fissaid DAILY 7 A. M. - 7 P. Ticket Agent Still Waiting For Contract

For Contract Ticket Agent Carl Marstel-ier at the Los Angeles Tor-rance Municipal Bus line depot still has no contract with the two states of the council and the states of the council steller appears at the council attom and arrive at an under standing. Each week, it is promised that the matter will be taken care of at once. Treaday night the council r an sp or ta tion Engineer Charles F. Koors will see him about the deal. That was the same thing they have been telling him for weeks.

telling him for weeks. On the basis of the contract submitted, Marsteller would receive 10 percent of the tick et sales at the Los Angeles agency or \$230.50 for last month, \$50 a month for jani-tor services, and his income from sale of magazines, eigars and other merchandise.

The output of the State of Indiana. Several officials of the corpo-ration are in Southern Califor-nia now, Drennan said, and the decision to select the Torrance location was due to its central industrial situation between Los Angeles and the harbor district, while §c61 came from vehiels violations and thus are road Two small claims cases were Due to a newly device of the Due to a newly device of the

violations and thus are road fund monies. Two small claims cases were filed during this month, mak-ing a total of \$2.00. General fund monies were col-lected from the foilowing cases: Drunkenness, \$290.50; parking, \$70.00; boulevard stop, \$138.60, and miscellaneous eriminal vio-lations, \$240.00. Vehicle code funds were de-rived from the foilowing cases: Drunk driving, \$469.00; speed and reekless driving, \$159.00, and miscellaneous traffic viola-tions, \$33.00.
