St. Andrew's to Start New Summer Sunday Schedule

Sunday Schedule

St. Andrew's church will hold its Sunday service at 10 o'clock during August and September instead of the present 11 o'clock hour. There will not be an 8 o'clock service the se two months.

The church school will also meet at 10 o'clock, holding their session while the adults have their worship hour. The purpose of this is to help the members who are so busy working six days a week to attend church and yet have the major part of their Sundays free for much needed rest and recreation. Also it will only necessitate one trip to church on the part of the family.

Mrs. Fern Elliott of Long Beach is directing the school and the classes will be staffed by volunteer workers from the seven cooperating Torrance chiurches.

"Keep the children off the streets" is the plea of members of the Ministerial union in urging attendance at the vacation Bible school.
