## FOUR REASONS WHY YOU SHOULD VOTE FOR PROPOSITION 4

- 1 California is the ONLY state that now penalizes non-profit charity and welfare agencies by taxing them. If Proposition Four is approved this will be corrected.
- 2 The contributions YOU now make to charity and welfare institutions will ALL be used for that purpose if you vote FOR Proposition 4.
- 3 It will enable the character-building institutions serving youth to increase their programs and reduce the increasing juvenile delinquency rate in the state.
- 4 Leaders of every faith and creed in the state urge your support of this measure.

## LABOR! DON'T LET THE PAC TELL YOU HOW TO VOTE

IF SIDNEY CAN TAKE \$1 NOW, WHAT WILL HE TAKE LATER? Labor Unions were formed for the betterment of labor... and all those with sound leadership are serving their purpose well. Now a group of radical communist-minded leaders has gotten into control and is using labor to further their own political interests. It is your inherent right and duty—to vote secretly as you please.

**HILLMAN - BROWDER MUST GO!** Remember that there are no labor unions in Germany, Italy, Russia, or other totalitarian countries. If you allow the PAC Communist interests to gain control here, the life of your unions will be short, and labor commissars will rule. Vote for a continuance of the American way under which every man is free to work and live as he pleases. Give your children this same privilege... Vote for Dewey and Bricker.

It is TIME to Think-to Work-to Vote!

### NOTICE!

Registered Democrats CAN vote for Dewey on November 7th. All ballots are the same... no matter how you are registered. YOUR VOTE IS SECRET!

## DON'T VOTE YOURSELF A wage cut!

Proposition No. 12, the misnamed "Right To Work" bill, does not give you any "Right To Work" that you do not already have. It will, however, give you the "Right To Work" for LOWER wages. It will reduce the standards of living of every working man and woman... it will create disunity between management and labor... it will impede the war effort by destroying peace on the home front... it will create chaos in post war planning... Don't vote yourself a wage cut!

But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him." Mary Baker Eddy says in "Science and Health with Key to the Scriptures," "If Enoch's perception had been confined to the evidence before his material senses, he could never have 'walked with God,' nor been guided into the demonstration of life eternal."
