SUNDAY BASEBALL PLAYED HERE . . . Increasing crowds are seeing Shell Chemical baseball team play each Sunday at Torrance park. Here they are, left to right: Stroh, catcher; Mercer, utility infielder; P. Smith, pitcher; Moore, left fielder; Dawes, second base; White, third base; Vaughan, right field; Dry, utility outfielder; A. Smith, left field; Bellovitch, right field; Lorenz, center field and Johnson, shortstop.

Northrop and Shell Meet Sunday

The Northrop Recreation club will attempt next Sunday to stop the winning streak of the Shell Chemical ball club. This fast ball team will bring one of the strongest clubs to Torrance that has been seen here in several years. In order to stop the Shell Chemical club, Northrop R. C. has strengthened the entire team.

Last week Shell Chemical, although outthit, defeated Dix Manufacturing Company by a close 5 to 3. The Shell Chemical boys were never out of trouble even to the ninth inning with two men away when Dix put two men on base and had the tying run at home plate. One man stole home, making the score 5 to 3, the tying run was walked and the winning run was at the plate. The batter grounded out to end the game. At one time Dix filled the bases with no outs, but sharp Shell defensive play ended the inning without a run scoring.

Nip and tuck ball like this brings larger and larger crowds to the Torrance Recreation Park for the Sunday ball games.

The Shell Chemical team is now a member of a ten-team

league of the Southern California Baseball Association and is considered one of the strongest teams in this semi-pro league.

L. A. Office to Furnish Factories With Price Lists

Arrangements whereby the 6,000 to 8,000 Los Angeles area manufacturers will be able to obtain from the OPA Los Angeles District office prices on new civilian goods, are now being completed in Washington.

Delegation to district offices of full authority to fix manufacturers' ceilings on all consumer goods, except on 12 large volume national distribution items, will be completed shortly.

Major items to be priced on a national basis in Washington include automobiles, refrigerators, radios, washing machines, stoves and electrical appliances. These meet an estimated 80 per cent of civilian needs for articles not now being produced.

The remaining 20 per cent of

Operates Local Materials Firm

C. P. Olson, formerly with Consolidated Rock Products Co., will operate the Construction Materials Co. at the old Consolidated Lumber Co. buildings and yard at 1825 213th st., Torrance.

Olson is the sole owner of the plant and his company will occupy the old lumber company property recently purchased by W. K. Guthbert Co., Los Angeles building materials firm. Olson said that his firm will open about Nov. 15 and that he will handle all types of building materials with the exception of lumber.

household and other civilian items to be manufactured during the reconversion period will be produced by the numerical bulk of the nation's factories—a condition which will require local pricing.

Follow the Leadership of EARL WARREN!

Your Governor puts California above personal interests. He asks you to put America above party interest. Governor Warren tells you that America needs Dewey. He tells you that you can depend on Dewey to do a job.

Here is what Governor Warren says:

"I AM for Tom Dewey because I sincerely believe he will bring leadership to our national problems which will inspire teamwork. We must have teamwork if we are to win lasting peace and prosperity.

"Tom Dewey possesses the youth and vigor and the courage to get things done. His distinguished public career speaks for itself.

"And I am for John Bricker because I know he, too, has the executive capacity and experience in government administration required for the position which is but one heart beat from the presidency.

"Together, these two outstanding governors of two of our most important states constitute a team with which all levels of government and all the people can work in building a greater future. Believing this sincerely, I am for Tom Dewey and John Bricker and greater national unity of effort."

**Vote for DEWEY and BRICKER
TUESDAY!**

IMPORTANT: Regardless if you are registered as a Democrat or Republican, you receive the same ballot when you go to vote. Your ballot is secret and no one will know how you mark it. Don't let anyone intimidate you into voting against Dewey and Bricker, if you agree with Governor Warren and other great Americans—regardless of party—that they are the best leaders for the nation today.
