

## Regulations Governing Mailing Of Christmas Greeting Cards, Packages Overseas are Given

Regulations governing the mailing of Christmas greeting cards and packages to service men and women overseas have been announced by Postmaster C. Earl Conner, as follows:

The War Department advises that Christmas greeting cards for soldiers overseas must be sent in sealed envelopes and prepaid at the first-class rate. The War Department further urges that such cards be mailed at once stating that cards mailed now will, according to the Army Postal Service, reach even the most remote A.P.O. by Dec. 25.

Effective at once, ordinary (unregistered and uninsured)

gift packages may be sent by parcel post to civilians in Vatican City State and the cities of Rome and Naples, Italy, and Palermo, Sicily.

The value of each package is limited to a maximum of \$25; the weight to a maximum of four pounds, and the size to a maximum of 36 inches in length and girth combined. The postage rate applicable to these packages will be 14 cents per pound or fraction thereof. The packages and relative customs declarations must be conspicuously marked "Gift Package" by the senders, who must also clearly state the contents and value on the customs declaration. The packages should be otherwise prepared in the same manner as prior to the suspension of parcel post service to Italy and Vatican City State.

It is pointed out that the packages are to contain only such essential items as clothing, shoes, sewing kits, soap, etc. No writing, printed matter or perishable foods may be sent in these packages.

For the present, only one package per calendar month may be sent from the same sender to the same addressee. These packages must conform to the regulations of the Foreign Economic Administration.
