T.H.S. Girls' League Group In Pep Meet

The regular meeting of the Girls' League was held Wednesday morning during first period in the assembly hall of Torrance high school. Presiding was Bernice Cline who presented the song and yell leaders for a pep session.

The Girls' Glee Club presented two numbers under the direction of Miss Anna Mae Alken.

A student panel then discussed questions of importance to the girls in meeting their problems. Members were Bernice Cline, Elsa Stanley (chairman of the panel), Lois Severin, Beverly Hopkins, Mariou Rose, Peggy Stucke, Gloria Flores and Chris Tarpley.

Business, professional or personal cards are readily obtainable at the Torrance Herald office. Phone Torrance 444, 443.

Shell Tromps Northrop; To Play Red Wings

Next Sunday at the Torrance Ball Park two teams from this area meet. Shell Chemical from Torrance and the Red Wings from Compton will attempt to decide who has the better ball game. The Red Wings have defeated some of the best teams in the Southern California Baseball Association and are going to try and stop the seven consecutive game win streak of the Shell men.

Last Sunday behind Pitcher McCarthy's 11 strikeouts and his home run, as well as his two-hit pitching, the Shell Chemical team defeated the Northrop R. C. 9 to 0 in 7½ innings. The game was called after the first half of the 8th inning because of threatening weather but the Shell team had a commanding lead.

With the support of the fans in this vicinity Shell Chemical should bring a series of very strong teams to the Torrance Ball Park. All the teams in the league are shooting for Shell's defeat to stop the impressive win record of the rubbermen.

GEORGE POH HIGH IN CROSS COUNTRY RACE

Torrance High's cross country team went into action between halves of the "B" football game on the Tartar field on Friday when they met Compton Junior College.

Although Compton won the meet by accumulating the most points, a Torrance High school man had the distinction of leading the race across the finish line by a safe margin when George Poh clocked in the fastest time and won first place. His time was 8 minutes and 13 seconds. Anthony Van Kraling placed a strong fifth place. Other boys from Torrance who completed the two-mile grind were Oscar Escobedo, Joe Fernandez, Stewart Cooke, Ray Brady, Stewart O'Neal, Charles Ringle, Lloyd Warthan, Bob Watson, Clarence Garland, Ted Jacobs and Gene Foster.

The team will compete against Jordan High of Long Beach on Wednesday, Nov. 22.

Trout and Salmon Are Planted in Lake

Trout and salmon planting in Lake Merced has just been completed for this season by the State Division of Fish and Game. As in past years, the south lake has been planted with bass, 25,785 fingerlings and 953 adults. In order to provide some trout fishing for those who can't get to their favorite trout stream, 43,670 rainbow fingerlings averaging three inches in length have been planted in the north portion of the lake.

Water temperatures and food conditions in the lake appear to be more favorable for trout than for bass and the experimental planting has a good chance of success, according to Alan C. Taft, chief of the Bureau of Fish Conservation.

Maupin, McCarthy, Niles. Home run: McCarthy. Stolen base: Maupin. Earned runs: Shell 7. Left on bases: Northrop 9, Shell 6. Bases on balls: Off Niles 5, McCarthy 3. Strikeouts: Niles 5, McCarthy 11. Umpires: Lowery (plate, Harris (bases).

Conversion Wins For Torrance Tarbabe Gridders

By BUD SMITH

Friday, Nov. 2, the Torrance "Bee" team edged the Banning "Bee" squad on Woods Field of Torrance. High school, 7 to 6. Banning kicked off to Gil Bennett, fullback, who returned it 12 yards. After two short gains Banning intercepted a pass thrown by George. Banning threw for 30 yards on seven plays and then fumbled, which Torrance recovered. After a short gain and an incomplete pass, the Tarbabe kicked out of danger, so they thought, but two plays later Banning connected on a long pass for a touchdown. On the conversion, the center was low and the whole Tarbabe line hit the man trying to hold the ball.

The remaining time in the first half was a see-saw affair, with the longest drive being a 30-yard gain by the Tarbabe in the 11th play right after the touchdown.

The second half again showed Banning kicking off to the Torrance boys. The kick was returned 13 yards by Bud Smith. Two plays later Banning recovered a fumble and started down the field, by virtue of a 25-yard pass, a 13-yard run and some substantial gains through the line. When they reached the 2-yard line they threw a short pass and were pushed out on the 4-inch mark.

The Tarbabe, being behind, took a chance and threw a pass, which took them to the 16-yard line. Twice through the line and a reverse netted a first down on the 26. After another first down, Gil Bennett threw a pass to Leroy Schwenk for 42 yards. After three more good gains and one incomplete pass, Gil Bennett hit the line and scored. The point which won the game was kicked by Bennett.

The Tarbabe kicked off and on the first play Torrance took over on an interception. They again marched down the field with sheer power. But when they got inside the ten-yard line Banning held and prevented another score. Banning took over but only to lose the ball on an interception by Bill Johnson. The game ended after the next play.

Deer Tags Are Fewer This Year

Deer tags turned in to the State Division of Fish and Game as of Oct. 30 show that the kill this year is approximately 7,000 less than it was in 1941. So far, 35,643 tags have been mailed in, and a few are still being received daily. Mendocino is the leading county of kill, 2,282 bucks having been bagged there. Lake county is next highest, accounting for 1,701, and Tulare follows with 1,625. Shasta, Plumas, Lassen and Modoc counties all ranged in the 1,500 figure.

Torrance A. C. Meets All Stars Here Tomorrow

The Los Angeles Municipal Football League spotlight will be focused Friday night on Torrance Municipal Park, where Spike Jones' Van Nuys All-Stars will tackle the Torrance Athletic Club eleven.

In another league tilt, the Eastside Bulldogs Sunday will try to extend their winning streak to 18 games at the expense of the Chico Men's Institute at Chico. The San Pedro Red Devils draw a bye this week.

The Van Nuys team is the same squad that Oct. 22 pounded the Red Devils 25-0, in the league opener. A week later the San Pedro team rapped the Torrance squad, 8-0.

Varsity Team Bows to Pilots In 7-2 Game

Torrance and Banning High schools' varsity game Friday ended with the Tartars on the short end of a 7 to 2 score.

The game started with Banning kicking off to Torrance. A pass made by Gordon Smith to Kent on the 45-yard line gave the team a thrill, but Kent had misjudged the field marker and was forced out of bounds on the 5 yard. The Tartars were then held for four downs, giving Banning the ball. After three downs the Pilots kicked in desperation. Gordon Smith received the ball and ran back to Banning's 45-yard line. After three plays attempted, Internell threw a pass to Kent for a 20-yard gain.

Torrance had played a strong game, only allowing Banning eight downs in the entire first half, that without any first downs and no playing beyond the 50-yard line.

The most profitable play for Torrance came in the first half. With the ball on Banning's 5-yard line, the Pilots attempted to kick out. The kicker was unable to get the ball away because of bad centering, so Jimmie Standifer and Bert Smith charged in, catching him behind his own goal line and scoring a safety of two points, with the second quarter ending 2-0 in favor of the Tartars.

The second half ran along with good ball being played by the Torrance varsity. A 20-yard pass to the right halfback was good for a touchdown for Banning. Conversion was good. In the remaining five minutes of play neither team was able to score, so the game ended in a 7-2 victory for Banning.

Hollywood Turf Forms Charity Organization

Hollywood Turf Club Associated Charities, Inc., a newly formed non-profit corporation, was announced yesterday by Jack Mackenzie, general manager, and board members of Hollywood Park, for the purpose of raising and administering funds for war relief agencies and welfare organizations through conduct of thoroughbred racing at the Hollywood Turf Club.

Jack Beaman, for the past five years Washington representative of the American National Red Cross on the Pacific Coast, has been named vice president and manager of the new corporation. Beaman was selected because of his knowledge and background of existing emergencies in connection with war agencies and the problems in this area dealing with rehabilitation and relief of active and discharged military personnel.

Other officers of the corporation are Thomas W. Simmons, president, George F. Young, vice president, Edward O. Blackburn, treasurer, and F. C. Dougherty, secretary.

Hollywood Park has set aside seven days of racing of the current 34 day meet for the benefit of war agencies and welfare organizations which have incurred burdens due to the war. Also a determined effort of the new corporation will be to exceed all other tracks in the country in the sale of war bonds for the same period.

There are many military and naval hospitals in this area, camps, posts and veteran facilities that can be aided financially to provide additional facilities on a year around program. These problems will be our direct aim. In northern California, for example, thoroughbred racing has been extremely beneficial and greatly appreciated by both the men

and the command who have seen the lifting of morale ensuing from the funds allotted from thoroughbred racing, Beaman said.

The aim of the new corporation will be devoted almost exclusively to matters concerning the war effort, Beaman pointed out.

You are the shipper of this freight

Next time you see a trainload of tanks, or guns or jeeps, remember that this war material belongs to you. Your taxes and War Bonds paid for it. You are the shipper. Japan is the consignee.

To conquer Japan on her home islands, enormous quantities of war material must still be bought and paid for.

The purpose of the Sixth War Loan is to start raising the money for the final Big Push against Japan. Every American is asked to buy at least one extra \$100 bond—at the bargain price of \$75.

You buy the bonds. American industry will make the war materials. We'll roll 'em to the ports of embarkation. Our fighting men in the Pacific will do the rest.

S·P

The friendly Southern Pacific

★ Yesterday, this man might have been your laundry route-man, or your laundry washroom foreman. The number of such men from our laundry who are now in active service is impressive.

But today, he's a soldier, with a job to do—a job he's doing unselfishly for the good of us all.

Tomorrow, he may again be your laundry routeman or your washroom foreman—yes! doing the thing he fought for the right to do.

Let's back him up. He'll return one day a winner and with the right to use his energy to help build the new, finer laundry service that is in store for you.

... YOU KNOW THIS MAN ...
