**6th WAR
LOAN
QUOTA**
of
\$840,000

The 6th WAR LOAN Starts Soon!

MacArthur's sensational drive on the Japs in the Philippines, his push of the last remaining Japs into the sea off Leyte . . . Bradley's and Patton's remarkable fighting already on German soil . . . all these things were possible because you bought War Bonds on the First, Second, Third, Fourth and Fifth Drive! Because of this, America thanks you . . . every mother's son and daughter is grateful that we on the home front did not let them down even once!

Nor will we this time during this Sixth, and maybe the last great drive before victory is ours! This we pray is true, but

if it is not . . . America from the newsboy on the corner to our Commander in Chief will keep on fighting, buying and giving that we may win a just and lasting peace!

So again Torrance is called upon to do its share! This time we are asked to buy \$840,000 worth! This we can do! For it means again that we will guarantee that our boys have more and better equipment and on time to defeat the enemy! Every dollar counts! Start buying now . . . it's only a loan . . . every dime comes back with added interest!
