PRAYER

Our Father, Who are in Heaven, at Thy shrine I humbly kneel today to ask Thy blessing and guidance for one of Thy children, my son.

Dear Lord, show unto him Thy mercy, comfort him in this hour of need, give him courage to live up to his ideals through trying circumstances and in a foreign land; give him assurance in his every deed, remembering, oh, Lord, he is among strange people, his task is great yet his to do—help him to do it well.

Teach him to be grateful for the land and principles for which he fights and above all to be true to his God and country. Father in Heaven, I thank Thee for the privilege of bearing this son. I pray for his safe return, that Thou will guide his footsteps, may he never falter though nations sway and comrades fall.

If called upon to give his life for freedom's cause give him strength, dear Lord, to do so willingly; help him to understand his sacrifice shall not be in vain. Dear God, I am thankful to Thee for all good things and mostly my soldier son.
