

Knights and Ladies Plan Dance On January 20

The Tartar Lady and Tartar Knight organizations of Torrance high school under the sponsorships of Mrs. Lorraine Goodwin and Olin Hoyt, are now making plans for a formal ball to take place on Saturday, Jan. 20 at 8 p.m., in the Town House in Palos Verdes.

The ball will be the high-spot of the semester, and, if successful, may become an annual winter event, while the barbecue first of which was held in the early part of June, 1944, at the Los Angeles home of Mrs. Lorraine Goodwin, will remain the annual summer event.

Local Men Are Serving Navy In Seabee Unit

Forty-two former stevedores from the Los Angeles-Long Beach Harbor area—men who in peacetime supervised the loading and unloading of merchant ships calling here—are now putting their experience to good use in the far Pacific.

This was revealed today by Comdr. S. E. Mittler, (CES), USNR, special assistant to the director of administration and personnel of the Navy's Bureau of Yards and Docks.

Commander Mittler visited this area purposely to offer Navy commissions, ranging from warrant to lieutenant commander, to men experienced in deep sea cargo operations. Two now serving are:

Lomita: Lt. Herbert A. Williams, 2043 25th st.

AUTO DEALERS MEET

The country's first mass meeting of automobile dealers in both new and used car fields is scheduled for the Los Angeles Poly High auditorium on Monday, Jan. 15, at 7:45 p.m. to discuss common problems. Approximately 2,000 representatives of the industry are expected to attend.

January 15 Is Deadline for Tax Declaration

Jan. 15 is the deadline for filing original or amended 1944 declaration of estimated income tax and for paying installments on previously filed 1944 estimates.

Collector of Internal Revenue Harry C. Westover called attention to the new provision of the law which allows taxpayers to fill two birds with one stone by filing their regular final income tax returns for the full year by Jan. 15. If final returns are filed on Form 1040 and the tax is paid by that date, according to Westover, 1944 declarations need not be filed. Taxpayers using this special provision will be saved the double duty of filing and paying estimated tax on Jan. 15 and also filing and paying on the final return before March 15. The regular deadline for filing 1944 final returns and 1945 estimated returns is still March 15.

FORMER RESIDENTS ILL. Mrs. Jane Holliday and son, Michael of 1617 Arlington ave., returned this week from Los Angeles where she had been caring for her parents, Mr. and Mrs. H. M. Roberts, formerly of this city, who are convalescing from major operations.

Awarded Silver Star

Silver Star by direction of President Roosevelt, "for gallantry in action against the enemy" from Nov. 14 to 16, 1944, in France, according to word received by his parents.

The citation states that on Nov. 14 one platoon of 40mm guns was employed in a position and it became necessary to establish an observation post. Private Brady and another enlisted man volunteered to establish and maintain the post. They directed fire from the post for three days until ordered to withdraw. "During this time the observation post was subjected to extremely heavy machine gun, mortar and artillery fire, and on one occasion a shell exploded in the room from which they were observing," the citation reads. "Despite the enemy man volunteered to establish at his post and directed fire with such accurate effect that two enemy observation towers that were holding up our infantry advance were destroyed.

"The courage, coolness and devotion to duty demonstrated on this occasion by Private Brady are in keeping with the highest traditions of the United States Army."

Private Brady has three brothers living in Torrance, LeVerne, Glenn and Basil. The soldier graduated from Torrance high school in 1935 and was engaged in farming before entering the army with the first group of selective service men from Torrance.

He had earlier been treated in a French base hospital with French nurses in attendance.
