

## Tartar Knights And Ladies Plan Active Program

By ROBERT MAGFIELD

The Tartar Knights and Tartar Ladies of Torrance high school are planning an active program this semester under the guidance of their sponsors, Raphael Demmler and Mrs. Lorraine Goodwin. The Knights and Ladies are a group of eleventh and twelfth grade students who give a portion of their time for the betterment of the school through service.

The Tartar Knights this semester are under the captaincy of Werner Sommer assisted by First Lieutenants Bill Shamer and Gerald Godard. The second lieutenants are Philip Lissman and Jim Standifer while Bob Maxfield occupies the office of secretary-treasurer.

The Tartar Ladies of Torrance high school are off to a fine start in the new term. The organization lost several officers and members in the recent graduation, but in their last meeting the girls proved they were not left without leadership. Mrs. Goodwin serves as sponsor with the following new officers: Betty Ewing, queen; Betty Goettech, first lady; Betty Foster, secretary and treasurer; Jeanette Farquhar, reporter-historian.

With the election of new officers to lead the organization, the Tartar Ladies are considering several new members from the A-11 classes.

In addition to their regular duties of helping in the lunch lines, checking lunch permits and assisting in the auditorium, they are planning numerous social events. One of these events will be the annual visit to the home of Mrs. Goodwin for a barbecue supper.

## Torrance Area Paralysis Fund Totals \$1,171

Torrance has subscribed \$1,171.97 to the annual "March of Dimes" campaign sponsored by the National Foundation for Infantile Paralysis, and the drive here will be continued until Feb. 15 to permit industries, commercial organizations and citizens still desiring to donate to send in their checks, according to Harry B. Lewis, Torrance area committee chairman.

Collection boxes still are available, Chairman Lewis said.

In this campaign, there has been an absence of ballyhoo and the only canvassing done by the Torrance Area Committee has been by newspaper appeal and mail," Lewis said. "There has been no calling on the industrial plants and stores, and no door-to-door solicitation has been resorted to in the drive."

Checks should be made payable to the National Foundation for Infantile Paralysis, Torrance Area Committee, and sent to 1119 Sartori ave., Lewis declared.
