

## Young Church Group Plans March Affairs

The Young Churchman's League of St. Andrew's church met in business session Sunday evening and adopted its program for March. Sunday, March 11th, at the breakfast following the young peoples corporate communion, Doris Church will explain the youth's "Rule of Life" which is to be signed and dedicated by the youth at a special service March 25. Mrs. Bettina Miller and Mrs. Addie Parks are in charge of the breakfast. Sunday, March 18, the Y. C. L. will meet for supper, study and service. The supper committee will be chairman Bengta Nelson with Beverly Browning and Nancy Ringle. The study project for March is the topic of "Inter-racial Understanding." The topic will be presented as a panel discussion by Charles Ringle, Bill Jackson and Nancy Whyte. Members of the league are going to participate in the service of intercession for the Armed Forces every month. Ushers,

## Lt. Haber Is Honored by LAPE Officer

First Lt. Louis Haber, assistant medical inspector at the Los Angeles Port of Embarkation, an installation of the Army Transportation Corps, has been commended by his commanding officer for his idea for a more sanitary meat block cover now in general use in the LAPE mess halls. In presenting the commendation, Col. Marcus D. White, Port Surgeon, said: "The War Department believes in giving recognition where it is due." Lt. Haber's home residence is March 18, will be Dick Turner and Bob Browning. The junior choir will sing. Jack Turner and Jimmy Burchett will serve. Sunday, March 25, at 7:30 p. m. the league members will conduct a special service themselves, when they will adopt their "Rule of Life" pledge. Polly Robison and Larry Fischer are in charge of the service arrangements.

## Torrance Will Play Pacific Clay

Continuing the policy of presenting the fastest and best semi-pro baseball in Southern California, Torrance A. C. will tackle the powerful Pacific Clay nine, Sunday, March 11, at Torrance.

Led by fiery Joe Miller, Pacific has defeated such teams as the Rosabell Plumbers, Arcadia, Montebello, and many others. Torrance A. C. prime favorites with fans all over the association, has the reputation of never playing a dull game. T. A.

19 Minerva Place, Bronx, New York. His mother, Mrs. Lena Haber, lives at 58 Rush st., Brooklyn, N. Y. With Mrs. Haber, Lieutenant Haber now resides at 907 Madrid ave., Torrance, Calif.

The device made by Lieutenant Haber is fashioned like a cover, with a screened face and fits over the meat blocks, allowing ventilation but keeping flies away and preventing any other use of the meat block except that for which it was intended. The cover has been described for possible use by other Army installations in the bulletin of the Army medical department.

C. has played two games locally and each was won by a single run, 7-6 from Shell Chemical, and 11-12 from the Yankee Juniors. In each game, T. A. C. apparently beaten, came out from behind with some spine-tingling rallies, in the late innings, to snatch victory from defeat.

Bob Williams saved both of these games for T. A. C. with great relief pitching. The addition of this fine left-hander turned the Torrance club from an average semi-pro nine to one that will challenge any team in the association. Other players deserving mention are the popular Palica boys, four members of this baseball family having played on the T. A. C. nine, Bob Hobbs, brilliant young second baseman, Gus Mueller, 17-year-old catcher, the Jackson brothers, Harold and Gerald, and hard hitting "Tex" Roberts.

The type of baseball now being played, is certain to bring semi-pro ball back to the prominence it enjoyed a few years back. Fans who are short on gasoline can find a lot of enjoyment at Torrance City Park any Sunday afternoon watching the team in action.

**DUE HOME . . .** Aviation Cadet Charles H. Daly, son of Mrs. Florence Waugh of 2472 227th st., is due to receive his commission as second lieutenant in the AAF Saturday morning at Luke Field, Ariz., and will be home on a 15-day visit. He will then have five weeks special training to fit him for combat flying.
