## Legal Steps Are Taken to Acquire School Park Land

For the City of Torrance to get possession of the Los Angeles city schools land at Fern ave. and El Dorado for recreation purposes, it will be necessary for the L. A. board to advertise that it will lease the land, at city cost, and then the city must bid on the matter. This was revealed at the City Council meeting Tuesday night, and the matter was referred to John McCall, city attorney.

The city recreation department will install a softball diamond and other facilities on the tract, it was said. The Los Angeles schools in turn requested and received permission to park its bus in the city yard nights and week-ends, due to the vandalism and pilferage suffered by the vehicle while parked on the streets.

An open installation will be held Sunday evening, April 29. Chapter 785, Loyal Order of Moose, will sponsor a show and dance at Moose Hall, 1951 Carson st., tomorrow evening, Friday, April 13. Refreshments will be served. Members, their families and friends will be entertained.
