

## Monument To Iwo Victory Is Ordered

A bronze monument cast to commemorate the raising of Old Glory on Mt. Suribachi on Iwo Jima was ordered by the Board of Supervisors recently.

Supervisor Raymond V. Darby said that the famous photograph of the Marines hoisting the flag on the island was the most inspiring picture he had ever seen and will be cherished by future generations as one of the most patriotic scenes of the war, and the bronze monument should be placed in a suitable location near the proposed new post-war County Court House.

## Letters to Editor

April 1, 1945

Editor—  
I've finished reading the Feb. 8, issue of your grand paper the "Torrance Herald" and I thought I would write a few lines to let you know how much I enjoy the whole paper. I read just about all the articles therein. Service Shorts tell me how my old and young friends are; What Torrance (my home town) is doing. I have faith in Torrance and I'm proud of her.

I like these things like, beautification of El Prado from Western ave. to "Mullin's Garage," and the PE Station. I've always thought it would be nice ever since I guess I was about 5 yrs.—a barefoot Torrance kid. I like the stand the paper is taking on the schools, bus lines, water system and all things that are advantageous for Torrance. Of course, everything can't be done over night and I want to be part of Torrance's future as do the rest of the Torrance boys. I might say I was born with Torrance and we've watched each other grow up.

By the way I have here a picture of three (3) Torrance boys, two of us are on this station and the other paying a visit. They are M. (Curly) Burdge, John A. Hall and Robert Carlson, (that's me). When I finish the Torrance Herald I take it to Curly to read.

Thank you.  
Sincerely yours,  
Robert W. Carlson.

## Alondra Park Street Work Is Promoted

One of the legal barriers confronting the development of Alondra Park is the inability of this county under the present law to widen the streets surrounding the parksite. This is due to the fact that there is no provision in the law whereby any portion of any county park may be acquired for highway purposes. Before adequate access to Alondra Park can be secured, a provision must be enacted into the state law allowing the county to so acquire such portion of the park for highway widening use.

Assemblyman Glenn M. Anderson, at the request of the county of Los Angeles has introduced such a measure, Assembly Bill No. 2145, which is now pending before the committee on municipal and county government in the state legislature. The bill provides that the county by a four-fifths vote of the Board of Supervisors, may dedicate for highway purposes any portion of any county park that has been acquired in whole or in part with county funds.

## Joint Choirs to Present Cantata Here on Sunday

The choir of St. Andrew's Episcopal Church, Torrance, and the choir of the Presbyterian Church of Lomita, will present the Cantata, "The Resurrection Story" by Adams, in St. Andrew's Church Sunday, April 22, at 7:30 p.m.

The Cantata, an inspiration, is made up of special solo, trio and quartet numbers of great beauty and appeal, and the choruses are exciting and thrilling.

The story opens with the chorus "Rejoice, the Lord is Risen" then follows the story of the tragedy which gradually changes to the victory and closes with the great refrain, "Come Ye Faithful, Raise the Strain, Hallelujah, Christ is Risen."

The soloists will be: Mrs. Emma Carstensen, soprano; Mrs. Nadine Nickol, soprano; Mrs. Adeline Parks, soprano; Mrs. Lily Willey, contralto; Mrs. Evelyn Hyder, contralto; Frank Church, tenor; Dave Jones, baritone; Harold Bickford, baritone; Charles Eade, director; Miss Amy Bourquin, organist.

We welcome to St. Andrew's Church the choir of the Community Presbyterian Church of Lomita. Mrs. Alvah Clark is the Director of the choir and Miss Marjorie Willson the organist.

The people of the two communities are cordially invited to be present.

## Four Things Kept Jeremiah on Job, Says Chapman

In his opening sermon, in a five day evangelistic series here, Rev. Byron E. Chapman, of Porterville, Calif., said: "There were four things that kept the Prophet Jeremiah on the job in spite of ridicule, persecution and apparent failure. Though he longed to run away, they held him on, and they will hold us, too. First, he stayed on through a sense of duty. He was held, likewise, by a strong conviction of the right; he was bound by cords of love to his people; and, he was upheld by the power of God."

"Farther with Christ" is the key-note theme of the meetings. The visiting pastor is speaking each night this week, Monday through Friday, at Central Evangelical Community Church. This is the second time in recent months that Reverend Chapman has been presented at Central church.

Growing attendance and interest has characterized each service. Mr. Chapman has endeared himself to the hearts of many in this community by his sincerity, enthusiasm and his generous good-humor.

A local church committee, comprised of Mr. Dudley Houghton, Mr. Harold Irvine and Mrs. Margaret Grant, is in charge of the special musical program presented each night.

## EVERYWHERE HOME OWNERS AGREE:

"It saves money to refinance an old mortgage at Bank of America"

If you would like to refinance an old mortgage, follow the lead of thousands of California home owners who agree that Bank of America home refinancing saves money and frequently makes possible substantially reduced monthly payments.

At this bank it is possible to arrange an FHA insured loan to refinance an existing home loan or for financing the purchase of a home, even though it may have been built many years ago. The present condition of the house and its estimated life are the important considerations.

Discuss your home loan problem at Bank of America, and you, too, will agree that this is a friendly, efficient, money saving service.
