## Apricot Prices Will Be Lower, Says Government

Housewives will pay less than last year's ceilings for the 1945 crop of fresh apricots, the Office of Price Administration announced today.

Herbert E. Sandberg, OPA food price specialist, said that as a result of an approximate 10 per cent slash in grower and wholesale maximum prices, the early crop fruit would sell at retail for about 18 cents per pound. Later on in the season, he declared, the retail level should be reduced another 2 cents, to 16 cents per pound.

## Torrance Mess Sergeant on Luzon Gets Chance to Capture Nip Soldier

It isn't often that a mess sergeant gets an opportunity to see a Jap, so when Staff Sgt. Steve Shabosky of Torrance, assisted in capturing a Nip on Luzon, he really made news.

It happened at about 4 o'clock in the morning. Shabosky and another mess sergeant from the 32nd "Red Arrow" Infantry Division were riding in a jeep, en route to Manila to purchase some items for their respective kitchens.

Suddenly, a Jap appeared in the glare of their headlights, his arms stretched above his head in apparent surrender. The jeep sped past him before the driver understood what was happening.

He then pulled to a stop. Shabosky and the others debated the situation, reasoned this might be a trap with several Japs hidden in the bushes and waiting to open fire when the Yanks approached the surrendering Nip. Nevertheless, the mess sergeants decided to take the chance, their incentive spurred

by an offer made from higher headquarters — a case of beer and a three-day pass. Without any difficulty, the Jap escorted their willing captive back to the jeep.

In a toss-up to decide which of the sergeants would get the three-day pass, Shabosky lost, but he's satisfied to share the case of beer and the experience.

Sergeant Shabosky entered the service in December, 1941, went overseas with the 32nd Division in April, 1942. Veteran of three major engagements in the Southwest Pacific, he holds the Philippine Liberation Medal, the Asiatic Pacific Ribbon and the Combat Infantryman Badge.

Shabosky is the son of Mr. and Mrs. Steve Shabosky, 1410 1/2 218th st., Torrance. Two brothers are in the service. Pfc. Albert Shabosky with the Army Air Corps in the Philippines and First Sgt. Joseph Shabosky, just returned from duty with an anti-aircraft unit in the Aleutians.

**SERVICE DELUXE FOR DISABLED VETERANS**... Hospitalized service men at the Torrance Army hospital were driven to the Memorial Day ceremonies at the Los Angeles Coliseum by a fleet of automobiles furnished by the local chapter of Technocracy, Inc. This service, known as the "Gray Fleet," supplies free transportation for Red Cross blood banks, War Loan drives and other patriotic activities. Shown in the above picture are K. P. Cates, organizer, William Dudley, M. B. Neal and Frank Watkins, who drove 14 disabled veterans to Los Angeles on Memorial Day.

## Chaison Aboard Indianapolis In Jap Attack

John F. Chaison, machinist's mate, 2/c, U.S.N.R., whose wife, Geraldine G. Chaison, lives at Torrance, Calif., fought aboard a heavy cruiser when her big guns pounded the enemy at Okinawa to avenge the dark days of 1942 when they spoke only defensively against the then-dominant Japanese.

Recent exploits of the Indianapolis as a member of the potent Pacific Fleet in attacks on Tokyo, Iwo Jima and Okinawa helped erase memories of the desperate delaying actions of three years ago.

She was in on the February air strikes by carrier planes against Tokyo and hasn't missed an important Western Pacific assault since then. Her gunners shot down six enemy planes at Okinawa and contributed to the pre-invasion bombardment of both Okinawa and Iwo Jima.

In March she was part of the carrier task force that rained destruction on Kyushu and Honshu in the Japanese heartland. From the war's early days she has fought the Japs — in the Aleutians, in operations leading to occupation of the Gilbert Islands, in the Tarawa invasion, the seizure of the Marshalls, Eniwetok and Kwajalein, and in the Marianas campaign.

She helped blast the Japs at Saipan, Guam and Tinian and was the first large American combatant vessel to anchor in Apra Harbor at Guam since the war began.

During her actions against the Japs, the Indianapolis has downed nine enemy planes and sunk one transport.

## Standard Makes Billionth Gallon Of 100 Octane

Standard of California has become the first western oil company to produce its one billionth gallon of 100 octane gasoline, it was announced today by President H. D. Collier.

One billion gallons of this fuel, it is estimated would fuel more than 22,000 B-29 Superfortresses for a trip around the world under average circumstances.

Indicative of the vast strides in production is the fact that just one refinery unit now turns out daily nearly five times the amount of 100 octane Standard produced in the entire year of 1937, when quantity output began.

Both the Richmond and El Segundo refineries are making 100 octane gasoline.

Mrs. Charles Mothersole of Beaumont and formerly of Torrance was a recent guest at the home of her son and daughter-in-law, Mr. and Mrs. Casper Clemmer of 1220 Elm ave.

## Why Telephones are Scarce

America's largest sky weapon is the B-29 Superfortress. With its elaborate communications system requiring the largest communications personnel of any combat plane, it is practically a flying radio laboratory.

This and other war communications equipment is being made in factories that in peacetime supply civilian telephone needs. That is why there is a shortage and why many people are now waiting for home telephone service.

If you are among those who are waiting, we want you to know that your patient understanding is a big help. And we will do everything we can to shorten the delay.

## Rental Tie-Ins For Furniture Hit in Lawsuit

Alleged to have required Robert Reed, tenant, to purchase furnishings in the amount of \$1500 as a condition to the rental of housing accommodations at 2010 1/2 N. Argyle ave., Frances Allen, also known as Belle Allen, was made defendant in an OPA injunction suit filed today in Superior Court.

The complaint, filed by Warren L. Shober, rent enforcement attorney for the government agency, asserts that the landlord received \$50 as the first installment; that like amounts were to be paid monthly up to January 1, 1947, with the entire balance becoming due on February 1, 1947.
