

## Dr. McGinlay Will Conduct Mission Here

Dr. James McGinlay, noted Scotch preacher, will conduct a preaching mission at the Community Presbyterian Church, 2154 245th st., Lomita, beginning next Sunday morning and evening, and continuing throughout the week, each evening except Saturday, at 7:30 o'clock.

The following quotation from the Moody Church News, Chicago, will indicate the ability of Dr. McGinlay as a preacher:

"The Moody Church is looking forward in great anticipation to the evangelistic campaign to be conducted by Dr. James McGinlay, whose messages have proved a great blessing to our people. Dr. McGinlay is well known for his powerful ministry throughout the length and

breadth of the land. His Bible preaching, accompanied by a rich sense of humor, as well as a real passion for souls, makes our brother a most attractive speaker. We are sure that all who have heard him will be glad to avail themselves of this unusual opportunity . . . Dr. McGinlay . . . is a favorite speaker in Bible Conferences all over the country. He has been on the program of the Church of the Open Door in Los Angeles, Calif., year after year. The great church auditorium there has often proved too small for the crowds who came to hear him preach."

### URGES RAISE

Supervisor Raymond V. Darby has made the recommendation that the County Supervisors Association, the League of California Cities and other organizations sponsor legislation that would raise the salaries of assemblymen and senators to a level commensurate with services rendered.

The Golden Text is from the Psalms: "Let integrity and uprightness preserve me; for I wait on thee. Redeem Israel, O God, out of all his troubles."

In a Lesson-Sermon selection from The Acts it is related that "when Paul had gathered a bundle of sticks, and laid them on the fire, there came a violent out of the heat, and fastened on his hand. And when the barbarians saw the venomous heat hang on his hand, they said among themselves, No doubt this man is a murderer, whom, though he hath escaped the sea, yet vengeance suffereth not to live. And he shook off the beast into the fire, and felt no harm."

In "Science and Health with Key to the Scriptures" Mary Baker Eddy writes, "The divine Love, which made harmless the poisonous viper, which delivered men from the boiling oil, from the fiery furnace, from the jaws of the lion, can heal the sick in every age and triumph over sin and death."
