Fireworks Fans To See Big Circus Numbers

Fourth of July fireworks fans drew an entertainment bonus of 12 stellar circus acts at the American Legion's 13th annual pyrotechnical extravaganza this year, according to Harry Myers, manager-producer of the Coliseum show.

Said Myers, "This year our circus prologue—one full hour of thrill packed entertainment—will top all previous tan-bark exhibits. Montie Montana, famous western screen star, and his championship range riders and trick ropers are sensational! Watch for Montie's horse "Rex," the plinto with personality plus!

"And America's premiere equestrienne clown, Poodles Hanneford, and his daring bareback riders, will provide thrills and laughs, with an entirely new routine."

Myers added that the "Skyettes," internationally famous daredevil aerialists, will give a breath-taking performance 125 feet above the Coliseum turf, on the highest rigging ever used by an acrobatic act without a safety net. The Skyettes were featured aerialists at the New York world's fair, and then made a world tour, winding up their foreign appearances at Tokyo's annual exposition, just preceding Pearl Harbor.

Cy Ritter's breakaway limousine will cavort again. This mad-cap act has proven a hilarious treat at every Legion show since its inception in 1931.

Ten other topflight big-top numbers include the "Jumping Jacks," a comedy trampoline trio, just returned from a triumphphant tour with the "Camel Caravan." These bounding mat performers feature a pair of ex-G.I.s, Corporals Ed Paul and Bob Prey, plus vivacious June Shaller. All three are native Californians.

Coliseum gates will open at 7:00 p.m., and Manny Harmon's popular little symphony orchestra will accompany a 15 minute community sing led by Hugo Kirchhofer.

ILLINOIS PICNIC
Descendants of famous Americans will be honored and speak at a Fourth of July all day picnic and patriotic program to be held under the auspices of the Illinois Association of Southern California, at Sycamore Grove Park, Los Angeles, Wednesday, July 4th.

GOVERN LOUDSPEAKERS
An ordinance governing the use of loud speakers on trucks in county territory is in prospect.

TAC Wins 9th Game Out of 13 Played

Torrance A. C. won its ninth game in thirteen starts Sunday at Torrance but only after nine innings of great baseball.

Placentia Merchants, an all Mexican team, came from behind twice to tie the score and it was not until the last half of the eighth inning that TAC was able to push over the winning runs. The final score was 5 to 3.

TAC drew first blood in the fourth inning when "Buck" Kuhn got the first hit, a single to center, off Martin. Wells and Jackson struck out but Tex Roberts came through with a single scoring Kuhn.

After being held to a single hit for 6 innings, Placentia tied it up with a pair of bingles in the seventh inning.

TAC bounced right back with a pair in the bottom half when McCormick singled, Kuhn singled and Wells came through with a triple. The excitement was just getting started; Placentia posted another pair in the top half of the eighth, and with both teams warming up new pitchers TAC took advantage of two straight errors and a single by McCormick to score the winning runs.

Lefty O'Reagan pitched a masterful game in holding the Placentia nine to 4 scattered hits. It was his seventh win against 3 losses.

Great defensive games was turned in by Harold McCormick shortstop and Harold Jackson, first base, for TAC.
